TINLEY PARK, COOK COUNTY, ILLINOIS THURSDAY, AUGUST 9, 1956

High Winds Rip Area

After the Storm

The top picture shows the remains of the canvas stalls that had housed various Homecoming concessions before the violent wind and rain storm struck Mokena a few minutes after 9 o'clock Sunday night. In the picture below is a tent, flattened out in the basement of the addition to the Mokena State bank, now under construction.

Student Council Members Attend State Workshop

Representatives of the Lincoln Way high school student council have returned from the fifth annual workshop conducted by the Illinois Association of Student Councils last week in Western State college at Macomb.

All parts of the state were represented at the conference which gave the various student council members opportunity to exchange ideas and discuss their problems.

All agreed that the major problem was in getting full cooperation by the student body in the promotion of various endeavors. The Lincoln-Way representatives were Janet Feil, Pat Bradley, Norma Heidrich, Ronald Knakmuhs and the council sponsor, Dr. Ralph Wright.

Ronald Knakmuhs, editor of The Reporter, the official newspaper of the Illinois Association of Student Councils, and the others were introduced at the workshop.

The workshop began Aug. 6 with an address of welcome by Dr. F. A. Ben, president of Western. On the second day the students joined various discussion groups and Dr. Wright attended an advisors meeting.

On the last day the students listened to reports by leaders summarizing the discussions and assignments made for various studies during the coming year.

Carl Warkow, a teacher from LaGrange who is on the state student council board as a coordinator, was the principal speaker this last day. He said that if

State Hands Out City Sales Tax

City sales tax collection in June for the month of May netted 788 Illinois municipalities \$3,925,452, according to a report to Gov. Stratton by the department of revenue. Gross collection was \$4,176,000 but \$250,560 or six percent, went to the state for cost of collection and administration. The city sales tax is the half cent municipalities are allowed to collect under a law adopted by the legislature last year.

The cities, particularly the smaller municipalities that have difficulty in raising revenue by legal means, look upon the half-cent sales tax as manna from heaven.

The lion's share for May, of course, goes to Chicago as usual, \$1,907,937.

The amounts collected for communities in this area include: \$1,932.76 for Tinley Park; \$817.53 for Mokena; \$1,783.10 for Midlothian; \$9,259 for Oak Lawn; for Orland Park, \$604.84; for Park Forest, \$8,248.54; for New Lenox, \$653.80, a substantial increase over April; \$20,514.68 for Chicago Heights; \$13,226.66 for Blue Island; \$614.22 for Hazel Crest; \$16,354.15 for Harvey; \$2,637.96 for Lockport; \$717.57 for Frankfort; \$45,712.31 for Joliet.

Because the earth's atmosphere bends the moon's rays, the moon is not actually where it appears to be when looked at from the ground.

Benjamin Franklin introduced the broom to America.

Boy Scouts Win 1st Prize In Parade; Sheila Bennett Queen

Sunshine, tempered by an occasional cloud and a westerly breeze, made Sunday afternoon a perfect day for the annual parade of the Mokena Homecoming.

Some 3,000 persons were on hand for the event, despite the fact that similar affairs were being held in other comparatively nearby communities.

Of course, those who came for the parade had no way of knowing that a few hours later the festival would suddenly end in a gale and a deluge so everyone was in a holiday mood and enjoying themselves.

The float entered by the Boy Scouts, depicting scouts of old in the form of Indians and scouts of today, was awarded first prize, the largest of three gold cups provided for the occasion. Second prize went to the Girl Scouts who employed a similar theme against a green background and the judges picked a float entered by "The Neighbors", as "Fantasy" for third award. A duckling, of emperor rather than king size proportions, was the central figure, all in yellow. Seated around it was a group of youngsters of a neighborhood group.

The judges, Sheriff Roy C. Doeffler, State's Attorney Frank H. Masters, Jr., and Mrs. Lowell Merrell of Cherry Hill, also selected five entries for honorable mention, the Small Fry and Babe Ruth League teams; the Hughesette, a dancing group from Blue Island; the Mokena VFW Auxiliary; the Lincoln-Way high school band, that led the parade; and the Oak Lawn Civic band.

Because Leonard Bros. circus was showing in Mokena Sunday, the parade was enlivened by the appearance of an elephant, a zebra, a number of ponies and a caliope.

Various business firms in Mokena, Frankfort, Orland Park and New Lenox were represented in the parade as were the Amvets and the Veterans of Foreign Wars.

Miss Beverly Lauffer, the 1955 Homecoming Queen took part in the parade as did the two contestants for queen this year, Miss Sheila Bennett and Miss Rosemary Dempsey.

The counting of the ballots for queen was completed Sunday night but before the results could be announced the violent storm that struck Mokena shortly after nine o'clock put an end to the festivities.

Miss Bennett won, according to Mayor John Searth, chairman of the committee in charge, but her crowning and the awarding of prizes to be distributed in connection with the queen contest, has been deferred until a later date that has not yet been set.

Just how the Homecoming fared financially will not be known for several days. Considerable merchandise used for prizes in various concession booths was ruined by the storm

(Continued to page 8)

Holy Name Society, Mokena Lions Plan Picnic, Ball Game

A softball game between teams representing St. Mary's Holy Name Society and the Mokena Lions club will be the highlight of a joint picnic to be staged by the two bodies Sunday, Aug. 19, at Mokena Community Park.

The picnic part of the program grew out of the challenge issued by the Holy Name men to the Lions club for a softball game.

After arrangements had been made for the game it was decided that it would be a good idea to start early and make an afternoon out of it and it was agreed that picnic was a natural under the circumstances.

And a picnic it is to be, a basket job. Adults are requested to bring their own food and coffee. Refreshments for the children will be available at the park.

The picnic is to begin at noon and the ballgame is scheduled for 3 o'clock. Leo Marcoux is the manager of the Holy Name squad while Al Sorensen is master-minding the Lions team. Both pilots promise to reveal some new talent.

The committee in charge of the affair is made up of Larry Weathers, Art Marshall, Roy Richardson and Harry Fee. They are hoping for a large turnout.

Invites Public to Hear About New NIKE Post

Just what the NIKE installation at Orland Park means to the area as well as the overall defense program will be explained Monday night, Aug. 20, at a public meeting to be held in the Orland Park grade school at 8 o'clock.

All persons in the area—Orland Park, Palos, Tinley Park, Mokena, Frankfort, New Lenox, Marley and Homer township are invited to attend.

The Orland Park village board and civilian defense committee have arranged for the meeting. Lt. Col. Fred L. Ross, commanding the 13th Anti-Aircraft Battalion, Capt. L. H. Schilhabel of B Battery and Capt. Charles Molohon, Hdq. Battery will make brief talks and answer questions that may be asked by members of the audience. The army also is supplying a movie pertaining to NIKE installations. The one at Orland Park is part of the Chicago area defense against possible enemy aircraft.

New Hampshire and Indiana are the only states which have no mottos.

Torrential rain, lashed by wind that attained a velocity estimated at more than 70 miles an hour, brought sudden and disastrous end to the 17th annual Mokena Homecoming Sunday night.

Three persons were injured, one seriously, as a result of the storm in Mokena and damage there was estimated at approximately \$8,000.

New Lenox too was swept by a violent wind storm described by some as a "small twister." Many trees were blown down and damaged but no persons were reported injured. A number of TV aerials also were wrecked by the winds and one, on the Karl Johnson farm home, two miles south of New Lenox, was struck by lightning. The bolt followed the wires into the living room, causing the TV set to burst into flames.

The storms struck both communities at about the same time, a few minutes after 9 o'clock.

Some 3,000 persons were on the Homecoming midway along Front street in Mokena when the storm struck and a near panic developed. The rain was coming down in sheets, so hard that one had only a few feet of visibility. It was like a cloudburst and with the deluge came the wind.

The long tents that housed the concessions along both sides of the street were ripped apart and the merchandise that served as prizes for the patrons, went crashing down. One of the smaller tents, about 12 feet square, was snatched up, whirled and then tossed into basement excavation of the addition to Mokena State bank. Eric Book, who was in the tent, got out just as it was whipped away. He was not thrown into the excavation, as was reported.

Trees in the residential area were blown over and huge branches twisted off and flung in streets and yards. Power lines were broken and most of Mokena was without electricity until 7 o'clock Monday morning. Power was restored at New Lenox about 12:45 Monday morning but it was around noon before there was electricity in Lincolnwood.

A tree just south of First street at the rear of the Grobarcik grocery was brought crashing down across the hood of a new car that had been parked there by the owner, Rudolph J. Kurat of New Lenox township. Two cars owned by Lester Oakley, one of them just won at a church festival, also were crushed by a tree.

The Homecoming patrons who had been enjoying themselves at the various concessions and rides along Front street only a few minutes before, broke for cover when the wind and rain arrived. Taverns, and stores that were open filled to capacity in a twinkling while those that could not get indoors flattened themselves against buildings. The rain did not spare them but they managed to gain some protection against the force of the wind.

Timothy Noodwang, 18, of Wolf road, suffered a severe head bruise when he was struck

Business and Finance

The constantly recurring Israel-Arab difficulties and now the Suez situation in the Middle East, have a direct effect on the economies of the western world and particularly on the oil situation in the western hemisphere.

Israel is a very small country, but the effects of its relations with neighboring countries, is felt over the whole industrial world. The Arab and Moslem Countries of the Middle East have a very important club over the industrial west-oil. Without the oil of the Middle East, industrial western Europe would have a very difficult time of it.

To appreciate the picture, it is pointed out that Middle East crude oil reserves approximate 100 billion barrels, Western Hemisphere reserves outside of the United States are estimated at 18 billion barrels of which Canadian crude oil reserves represents .3 billion. The United States has about 30 billion barrels in known reserves.

In 1955 the United States produced approximately one-half of the world's total production, but held only 25 percent of the reserves. The United States is rapidly getting to the point where this country is producing more than it is discovering and therefore more and more dependent on foreign oil sources.

The constantly recurring flare ups in the Middle East have caused many investors to shift their interests from those firms holding large Middle East reserves, to companies with reserves more exclusively in the Western Hemisphere. At recent market prices, common stocks or firms with considerable Middle East reserves were selling on the basis of 5 cents to 39 cents (per barrel) valuation for known crude oil reserves in the ground. This compares with an evaluation of domestic companies of anywhere from 50 cents to \$1.44 a barrel.

It is easy to understand that with settling of each flare up in the Middle East, that Gulf Oil, British Petroleum, Royal Dutch, Standard Oil of California, Standard of New Jersey, Texas Company and Socony Vacuum, have moved up in price. This is

particularly true of the first tier, are certain 15-year-olds who qualify for a special permit after having met stringent requirements.

The Suez crisis will likely bow over, but there are likely to be more such crises reflecting the political and economic instability of the Middle East.

If Middle East crude supplies were cut off, valuation of those firms with United States, Canadian and Venezuelan crude oil reserves would rise. These would include Amerasia, Seaboard, Monterey, Humble, Ohio Oil, Skelly Oil and in the Canadian group, Imperial Oil, British American Oil, and Baily Selburn.

Market commentators are, however, advising caution in investing in firms primarily refiners and marketers as gasoline inventories are now 12.8 percent ahead of last year while demand has been running at between 7 and 8 percent ahead of last year. There will likely be a cut back in refinery production as gasoline season draws to a close. Companies so effected would include Standard Oil of Ohio, Atlantic Refining, Sinclair Oil, Cities Service and Ashland.

State Auto Law Bars Children From Driving

Secretary of State Charles F. Carpenter warned parents today that "no child under the age of 16 may legally drive a car in Illinois though the purpose for such operation is instructional." Secretary Carpenter said that the reason for his warning was due "to the shock accident in Joliet, Monday, in which a car driven by Carol Fiser, 14, 658 Glenwood avenue, lost control of the automobile she was driving, over a turn and jumped the curbing, fatally injuring Debra Sue Garrett, 2½, 106 N. Reed st., Joliet.

Secretary Carpenter also reminded parents that even those children who have reached the age of 16 are not allowed to operate a motor vehicle, altho accompanied by an adult, unless they have obtained an instructional permit. The only exception to the 16 year age law, according to Secretary Carpen-

ter, are certain 15-year-olds who qualify for a special permit after having met stringent requirements.

He also called attention to the fact that parents who knowingly allow such illegal operation violate both the Driver License Act and the Act Regulating Traffic on Highways.

Section 42 of the Driver License Act provides "no person shall cause, authorize, or knowingly permit a motor vehicle owned by him or under his control to be driven upon any highway by any person who is not authorized—or in violation of any of the provisions of the Act.

Section 140 of the Act Regulating Traffic on Highways states: "It is unlawful for the owner, or any other person, employing or otherwise directing the driver of any vehicle to require or knowingly permit the operation of such vehicles upon a highway in any way contrary to law."

LEGAL NOTICES
1—SEC STATE—25792
OFFICIAL PUBLICATION

NOTICE
OF
PROPOSED CONSTITUTIONAL
AMENDMENT

Pursuant to law in such case made and provided, public notice is hereby given that the following proposed amendment to the Illinois Constitution will be submitted on a separate blue ballot to the electors of the State of Illinois for adoption or rejection at the General Election to be held on November 6, 1956.

REVENUE
AMENDMENT
Article IX

Sec. 1 The General Assembly may define and classify property for taxation, but all such definitions and classifications shall be reasonable and be based solely on the nature and characteristics of the property and not on the nature, characteristics, residence or business of the owner or the amount or number owned. All real estate shall constitute one class, except that lands used for forestry purposes and mineral rights in land may be classified separately. If any class of property is taxed by valuation, such tax shall be uniform as to the class.

Sec. 2 The General Assembly may levy or authorize the levy of such other kinds of taxes as it may deem necessary, which shall be uniform upon the same class of subjects within the territorial limits of the authority levying the tax, but shall not levy or authorize the levy of a graduated income tax.

Sec. 3 The property of the State, counties and other municipal corporations, both real and personal and such other property, or part thereof, as may be owned by or held in trust for, agricultural or horticultural societies, non-profit hospitals or schools, religious institutions, cemeteries, or charitable institutions and used exclusively for one or more of such purposes, may be exempted from taxation; but such exemption shall be only by general law. In the assessment of real estate incumbered by public easement, any depreciation occasioned by such easement may be deducted in the valuation of such property. This section shall not deprive the General Assembly of power to classify property for taxation as provided in section 1 of this Article.

Sec. 9 The General Assembly may vest the corporate authorities of cities, towns and villages with power to make local improvements by special assessment, or by special taxation on contiguous property, or otherwise. For all other corporate purposes, all municipal corporations may be vested with authority to levy and collect taxes subject to the restrictions of sections 1 and 2 of this Article.

Sec. 10 The General Assembly shall not impose taxes upon municipal corporations, or the inhabitants or property thereof, for corporate purposes, but shall require the corporate authorities to levy taxes for the payment of liabilities incurred under authority of law. Private property shall not be liable to be taken or sold for the payment of the corporate liabilities of a municipal corporation.

Section 13 of Article 9 of this Constitution is repealed.

Form of Ballot

The proposed amendment to Article IX will appear upon the constitution ballot in the following form:

PROPOSED AMENDMENT TO SECTIONS 1, 2, 3, 9, and 10 OF ARTICLE IX AND FOR THE REPEAL OF SECTION 13 OF ARTICLE IX

(Revenue Amendment)

Explanation of Amendment

This amendment would revise Section 1 of Article IX of the State Constitution so as to permit the General Assembly to classify property for tax purposes, subject to the following restriction: (1) the classifications are to be based on the nature and characteristics of the property and not on the nature, characteristics, residence or business of the owner or the amount or number owned; (2) all real estate is to constitute one class, except that lands used for forestry purposes and mineral rights in land may each be classified separately; and (3) if

any class of property is taxed by valuation, such tax is to be uniform as to the class.

This amendment would also revise and simplify Section 2 of Article IX, dealing with the levy of miscellaneous types of taxes, but would require such taxes to be uniform as to the same class of subjects within the territorial limits of the authority levying the tax. The levy of a graduated income tax would be forbidden.

Other changes are merely routine. This amendment revises Section 3 to require ownership or its equivalent—and not mere use—as a basis for exemption of charitable, religious, and other similar property from taxation. In addition, non-profit hospitals would be added to the list of institutions and purposes for which the General Assembly may grant tax exemption by general law.

Section 9 and 10 would be revised to subject the taxing powers of cities and other local governments to the same restrictions as apply to the General Assembly. The language in regard to obligations of these governments would be broadened, requiring them to levy taxes not merely—as now—for “debts contracted” but rather for “liabilities incurred.”

This amendment would, in addition, repeal obsolete Section 13, which was adopted in 1890 to authorize the corporate authorities of Chicago to issue Columbian Exposition bonds.

	YES	NO
For the proposed amendment to Sections 1, 2, 3, 9, and 10 of Article IX of the Constitution and for the repeal of Section 13 of Article IX of the Constitution (Revenue Amendment)		

CAPITOL BUILDING
Springfield, Illinois
OFFICE OF THE
SECRETARY OF STATE

I, CHARLES F. CARPENTIER, Secretary of State of the State of Illinois, do hereby certify that the foregoing is a true copy of the proposed amendment and the form in which said amendment will appear upon a separate blue ballot at the General Election to be held on the Sixth day of November, A. D. 1956, pursuant to Senate Joint Resolution No. 16, Senate Senate resolution No. 30 and Joint Resolution No. 32 of the Sixty-ninth General Assembly, the originals of which are on file in this office.

IN WITNESS WHEREOF, I hereunto set my hand and affix the Great Seal of the State of Illinois. Done at my office in the Capitol Building, in the city of Springfield, this 10th day of January A. D. 1956, and of the Independence of the United States the one hundred and eightieth.

CHARLES F. CARPENTIER
(SEAL) Secretary of State.

Tinley Girls
Move Closer to
Championship

Tinley Teen girls took another step closer to the league championship by beating Oak Forest 14-3 on Wednesday of last week. Tinley scored once in the first and four in the fourth to grab a five to nothing lead before the Oak Forests got their first hit in the fourth.

Georgette Zirbes picked up her second win of the year allowing three runs and only three hits. Tinley picked up ten hits with Lila Baker, Lennie Couch and Janis Baker each getting two. Carol Meyer came thru with her third home run of the year. Georgette Zirbes helped her own cause by collecting her second home run of the season.

The girls will play Crete preceding the Donkey ball game tomorrow night, Aug. 17 at 7:30 o'clock.

MOKENA

Mokena 3521-4151

Patty Carlisle, daughter of Mr. and Mrs. George Carlisle celebrated her third birthday Aug. 13 with a family dinner, attended by her grandparents. The Carlises returned Thursday from an enjoyable trip to the Black hills.

Mr. and Mrs. John Scarth entertained Sunday afternoon and evening at a family annual reunion of the Scarth and Brockman families. Relatives came from Chicago, Peotone, Joliet and Wilmington. A buffet style dinner was served on the lawn to the 40 guests.

Mrs. Marvin Homerding and Mrs. Robert Homerding were hostesses in the latter's home, Aug. 5 at a miscellaneous shower in honor of Miss Carol Hertline. Sixteen guests were present. Crash bunco was played with prizes going to Mrs. Will Tuttle, Mokena; Mrs. Alma Lorenze, Frankfort and Miss Doris Bush, Wilmington. Pink and mint green, the chosen colors of the honored guest, decorated the living room. Refreshments were served. The bride-to-be received many nice gifts.

Mrs. W. H. Pitman returned from Columbus hospital, Chicago, Friday where she had been a surgical patient. She is improving nicely.

Mrs. Fred Steinhagen was confined to bed last week because of a heart condition.

Mr. and Mrs. Wilbur Barenz, Mr. and Mrs. Martin J. Medema, Mr. and Mrs. Harold Sayers, Robert Benson, Robert Merrick attended the wedding Saturday evening in Rock Falls, of Donald Olson of Mokena and Miss Rita Nicholas of Rock Falls.

Ronald Teague, son of Mr. and Mrs. Lyman F. Teague celebrated his 12th birthday Saturday with a family dinner in his home. Present were, Mr. and Mrs. Paul Stalberg and daughter Shirley of Bellwood; Mr. and Mrs. LeRoy Harling and family, Mr. and Mrs. Lyman C. Teague and Grandma and Grandpa Teague.

Mrs. Howard Scheiblich and daughters moved with their household effects by van to California last weekend.

Distinctive Table Top

IF YOU have a coffee table with a marred top but otherwise good appearance, you can make it like new without a lot of laborious refinishing. And at the same time you can give the table a distinctive feature that it never had—a marble pattern top with a surface that takes abuse.

The simple job is done by applying a new top in the form of a plastic-finished Marlite panel in one of five authentic marble patterns. Widely used for walls and ceilings, the material is available at lumber yards.

Saw a panel to fit, allowing a fraction of an inch for smoothing edges by planing and sanding. Bond the panel to the table with adhesive and leave weights on top until the adhesive is set. Wax the edges or paint them to harmonize with the marble pattern and table finish.

Your new table top, with its baked-on plastic finish over a tempered Masonite hardboard base, will defy attacks by beverages, heat and wear. Damp-cloth wiping will clean it.

NATIONAL SERVES MILLIONS FOR A Penny

National serves more than 3,000,000 homemakers every week for only a "Penny on the Dollar" because that's just about how much profit we have just reported to our shareholders for the first half of 1956. You get a lot to like at your neighborly National for that little penny—the wee fraction of a dollar that we take for profits and we're constantly trying to give you more—Convenient Stores, More Low Prices, More Variety, MORE famous Brands, More Service, More Personal Attention, More of Everything to serve you better and save you more for only a penny on the dollar—that's why it's just good sense to save Dollars at National.

No Other Food Stores offer such Low Prices on Bread as National

The outboard cruiser produced without compromise with price in any detail has at last appeared on the boating scene.

The new cruiser is manufactured by Swift in Florida, a part of the country where we spend considerable time each year. Florida is the logical place to offer such a craft first as boating is a year-around proposition there. But it is our opinion that midwestern boating fans will go for it in a big way when they get the chance.

Until the appearance of this craft the emphasis has been to compromise with price the theory apparently being that the power limitations of outboards limited cruising range and speed in such manner that an expensive, fine boat was not necessary. However the continued advances in the outboard motor field have been so startling that the field has opened for the high class boat.

The cruiser, called the Explorer, is 20 feet long with an 8 ft. beam and 4 feet of freeboard. Cruising tanks, linkage and all batteries and lines are enclosed. Two beds, each bigger than an ordinary double bed, can be made up. The boat has a maximum speed of about 30 miles an hour with a gross cruise load of 1,800 pounds when powered with two 30-horse John son motors.

Ordinarily we don't go into such detail over a product but this cruiser is an important development that thousands of Illinoisans will be interested in some day. Pictures of the Explorer really catch the eye. The boat has a convertible top with either windows or screens that can keep out bad weather or insects and other outstanding features including a complete marine toilet that is optional.

Due to the fine craftsmanship

involved in production this cruiser is going to have to be available in limited numbers for some time but we look forward to having one before long.

We also anticipate seeing many brother outboarders who long have wanted a real cruising craft but who could not afford the big boats, take a look at the Explorer.

A letter from a friend says, "It is a honey! We have made several three-day cruises."

From the looks of the pictures and the descriptions in the literature, he is not enthusiastic enough.

(Hear Jack Maypole over WJJD M-F at 8:40 a.m.)

Forest Preserve Board Ignores U. of I. Plans

Proposed plans by the University of Illinois to build a Chicago campus on west suburban forest preserve land met another stumbling block in action by the county board of Cook county. The board, sitting as members of the finance committee of the forest preserve board, recommended awarding of contracts

for earth work and drainage to improve the Miller Meadows preserve.

The 300-acre tract is bounded on the west by First avenue in Maywood, on the north by Roosevelt rd., on the east by the Desplaines river and on the south by 22nd street.

The committee action apparently precludes University of Illinois trustees from acquiring the tract as a Chicago division of the University now located at Navy Pier.

The trustees have never officially asked the forest preserve board for the site but have issued publicity releases saying they desire the property for that purpose.

The land has been owned by the forest preserve board since the 1920's.

Low bidder for the work to develop roadways and a playground at a cost of \$42,652, was the Charles Hendricks company whose contract is expected to be awarded at a meeting of the forest preserve board tomorrow.

Haile Salassie claimed descent from Solomon and the Queen of Sheba.

Three states in the Union have four-letter names—Ohio, Iowa and Utah.

NEW MAGIC FOR TV

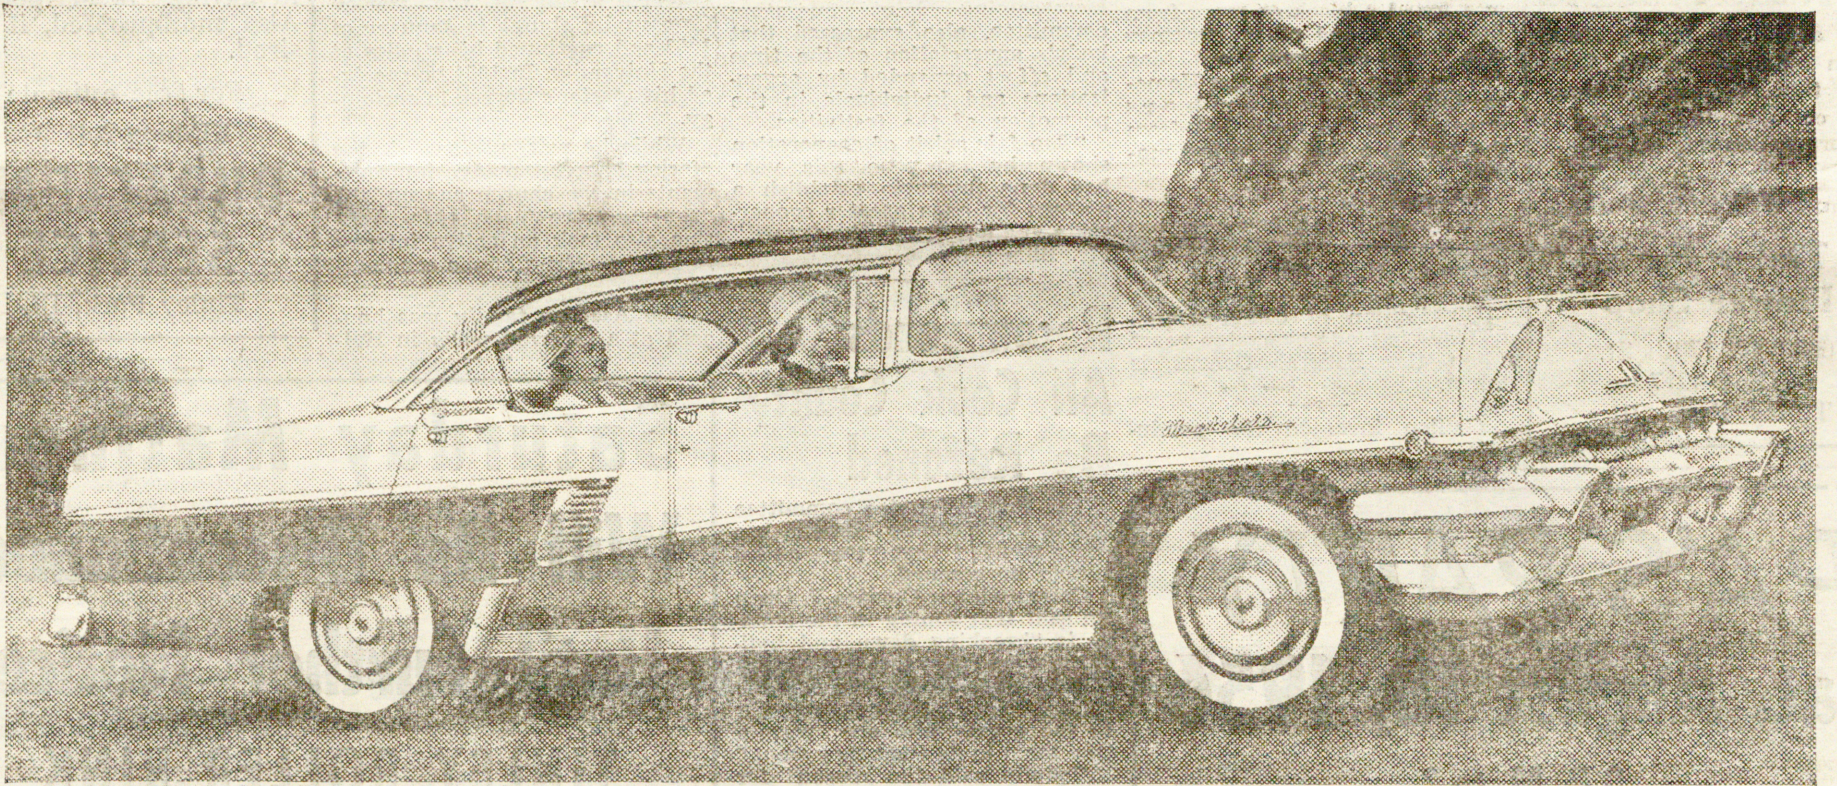

PRESS A BUTTON AND PRESTO — with Space Command tuning this new, little Space-Commander activates and controls TV from anywhere in the room, or even an adjoining room.

All with no wires or cord connections to the set; without batteries, transistors, light beams, radio waves or electricity.

You do not see, hear, or feel the command. But the TV receiver across the room responds instantly, turning on and off, changing stations, silencing annoying commercials, restoring sound. Zenith's Space-Commander weighs 8 ounces — so simple a child can operate it.

The Big M outvalues all cars two ways, leads its price class six ways

THE BIG M LEADS THE MEDIUM-PRICE FIELD FOR:

1. Power per pound. THE BIG M Monterey and Montclair give you the best combinations of weight and power in their price field.*

2. Torque per pound. All four Mercury series—Monterey, Medalist, Custom and Montclair—are out in front of the entire medium-price field for usable wheel-turning power.

3. Choice of V-8 models. Only THE BIG M in its field offers so many V-8 models—18, in 4 price ranges. All with distinctive styling shared by no other car.

4. Choice of hardtop models. Eight BIG M hardtops! Mercury Phaetons offer you the most advanced design in 4-door hardtops—with the greatest visibility, for both front and rear seat passengers.

5. Braking power. THE BIG M's brakes give you the quickest stopping power in its field! Authority: independent MOTOR TREND tests. At 60 mph, THE BIG M stopped quicker than any competitor.

6. Extra-value features. For example, only Mercury in its field has an impact-absorbing steering wheel and a 4-barrel carburetor at no extra cost on every model.

THE BIG M LEADS THE INDUSTRY FOR:

1. Most power per dollar. THE BIG M Medalist and Custom offer you more power for your money than any other make of car.

2. Most torque per dollar. No other make of car built today comes up to the low-cost Mercury Medalist for usable wheel-turning power. And now's the time to save the *most money* on a Mercury. We invite you to stop in at our showroom.

*All power and torque comparisons, shown above and at the left, are based on an analysis of manufacturers' suggested list or factory retail prices for 4-door sedan models, using comparable models equipped with standard horsepower and automatic transmissions.

STORM INJURIES—

(Continued from page 1)

by a small tent that came hurtling thru the air just as he came around a corner on Front street seeking shelter. Only a moment before he had snatched a cannula out of the way of a large falling branch. August Werner suffered arm bruises when struck by a falling pole.

The most harrowing experience was that of A. S. Duncan, 52, a Mokena building contractor, who was in the exhibit tent when the storm struck. One of the end poles, said to weigh about 400 pounds, started to fall. Duncan grabbed a child who was standing in the path of the pole and pushed it to safety.

Then he and two other men grabbed the pole and attempted to hold it upright but its weight plus that of the wet canvas and

the force of the wind was too much. The other two are said to have leaped into the clear. Duncan, still struggling with the pole, was pinned beneath it as it crashed.

His left leg was broken twice between the knee and a point about two inches above the ankle. He felt the bones go and for a few moments he was dazed as he was engulfed by the agonizing pain. He came out of it to find himself buried under folds of wet canvas that pressed down on his face and body.

A foot of water was tumbling along Front street and pouring into the area where the exhibit tent was pitched. Duncan could feel the water rising. The thought shot thru his mind that if he didn't suffocate from the smothering canvas he would drown in the rising water. He shouted and clawed at the tent. The pole was still holding his legs. Above him people were rushing about. Someone trod on his body. Another person running over the spot stepped on his broken leg. Now a fear that he might be trampled to death spurred his efforts.

In some manner he managed to free his legs and succeeded in dragging himself some 10 or 12 feet to freedom. In the open he called again, and this time some one heard him. Mokena firemen made him as comfortable as possible and a doctor attended him until the Panesh ambulance arrived from Joliet and carried him to Silver Cross hospital.

A bone specialist was called in and yesterday Mr. Duncan underwent surgery to repair the fractures.

Some roofs were damaged by falling tree limbs and the wind also wrecked an eight-inch brick wall on a new addition to the Hunter Foundry on Wolf road. There was also loss of an undetermined amount of money when the wind wrecked tills in some of the booths. A ten dollar bill was found a block or more from the midway and other currency is believed scattered about. Monday evening some of the Homecoming committee members were raking the roofs left from the rain in a search for lost money.

Some of the money that had been thought lost, however, has been brought to Homecoming treasurer, H. J. Wrath.

Distribution of Congressional districts is made every ten years when the Federal Census is taken.

Galileo invented the pendulum.

STUDENTS COUNCIL—

(Continued from page 1)

the students could take only one thing back that their council would use, the workshop will have been successful.

The days were not all spent in discussion, however. There were dinners, dances, swimming, bowling, golf and tennis.

In returning the Lincoln-Way group stopped at Bradley University at Peoria. On the way to Macomb the delegation stopped at Dickson Mounds state park.

BOY SCOUTS—

(Continued from front page)

and some money was blown away. It will take several days, it was said, before things can be straightened out.

It was believed that the losses would have been greater had it not been for the members of the Mokena fire department. They not only helped calm persons panic stricken by the suddenness and ferocity of the storm but also freed some that were caught by flying canvas and then provided guards that remained in the area thruout the night and Monday forenoon to prevent pilfering. Thanks were expressed to Phil Hacker who supplied lights to aid in the salvaging operations and to Donna's Coffee Shop which remained open all night and supplied the workers with coffee.

"The village board joins with me," said Mayor John Searth, "in expressing our gratitude for the excellent work performed and community spirit displayed by the firemen. And the joint operating committee of the Homecoming also joins with us in such an expression."

Lack of a stretcher, splints and other first aid and rescue equipment, which the fire department is hopeful of buying when funds become available, was pointed out graphically to the public Sunday night.

George H. Bills, president of the Mokena Civic Association and general chairman of the Homecoming joint operating committee, also expressed that body's appreciation of the time and effort expended by organizations and individuals in the promotion of the festivities.

"The fair spirit of cooperation shown by everyone this year has done much to establish a pattern for even greater cooperation and success in the future," Mr. Bills said.

Recommends All Cook County Be Rezoned

The Public Service committee of the Cook county board has recommended that the entire county be rezoned.

Commissioner Charles F. Chaplin said that zoning in the county is "breaking down and individuals are bypassing the county zoning board of appeals and the county board in going directly to the courts who are permitting them to do what they want."

Chaplin said the reason for this is that the present zoning laws are not tight enough and therefore the court rules the present zoning is not valid and individuals, mostly representatives of heavy industry, go ahead and do what they want on the land.

Commissioner John Duffv suggested the county board follow the city of Chicago's example on zoning in hiring an outside agency to rezone the county.

Board President Daniel Ryan said at the next meeting he will recommend a committee be appointed to study the problem and recommend to the legislature that zoning laws be tightened.

Marley Pastor Moves to Canada

by Virginia Sass

The Rev. and Mrs. Herschel Aseltine and their two small sons Teddy and Dick, left the Marley Community on Wednesday of this week. The Rev. Mr. Aseltine, pastor of Marley Community church, has accepted the position of associate secretary of the Christian Labor Association of Canada. He will be located at 143 Cline ave. S., Hamilton, Ont., Canada and will begin his duties there on Sept. 1.

The Rev. Mr. Aseltine has long

been a follower of this labor movement. He has not only been interested in the CLAC, but he has fully supported it and now is prepared to serve it with his knowledge and abilities. He addressed the National CLAC convention in 1954 on the topic, "Churchmen and Workmen." He also spoke at a meeting in Toronto last spring.

The Christian Labor Association of Canada is a national labor organization constituted of trade, industrial or occupational locals, and of general workers locals, the latter being known as Christian Workers Locals, seeking to apply the Christian faith to social economic life. The Rev. Mr. Aseltine's duties will be to propagate the Christian labor association cause wherever possible, to hold meetings and establish locals, assist locals in their extension programs and in the procurement of bargaining rights and the negotiations of contracts and such other duties as the national executive committees shall place upon him. He will also edit "The Guide", the monthly publication of the association.

The Rev. Mr. Aseltine was born in Richford, Vt., graduated from high school and worked on the farm of his father. In 1939 he entered the R.C.A.F., served in many parts of the world as pilot and left the air force after the war as wing commander. Availing himself of the opportunities offered the veterans, he studied the ministry, did missionary work and in 1952 went to Chicago to study at the University of Chicago.

Having worked in industry for some time he realized that there is a gap between organized labor and religion. Being of the opinion that Christian faith has a bearing upon daily work and seeing that such was fully neglected in organized labor, he decided that a study was worthwhile. He accepted a call to the Marley Community church in January of 1953 and continued his studies at the University. In 1954 he received his master's degree in sociology.

While he was pastor of the Marley church, many improvements in the church and on the property were made. Mr. Aseltine also took an active interest in all the affairs of the community.

The Aseltine family was honored at a farewell party in Hal-

ey park last Friday evening by members of the Marley Community church.

A potluck dinner was served at 7 o'clock with the deaconesses of the church as hostesses. Following the dinner the honored guests were presented with a purse from the congregation and a gift from the Freeman Fellowship. Short talks were given by Deacons Charles Sass and James Tilsy and the Rev. Mr. Aseltine.

DURACLEANING

is recommended nationally by America's leading furniture and dept. stores

CARPETING, TWISTS, ORIENTALS and FINE UPHOLSTERY

may now be safely cleaned and revived with consideration for their life and textures * Duracleaning restores resilience to wool fibres * Pile unmats and rises * Colors revive * Furnishings are Duracleaned in your home * No inconvenience in having them gone * Also mothproofed, if desired.

When Not Barbering Verne Puffer Spends Leisure Time In Travel

Verne Puffer and Selby Hirsch

by Anne Rogder
Verne's Barber shop at 17034 Oak Park ave. is air conditioned for the comfort of patrons and has a television for their amusement while waiting. LaVerne Puffer, owner, took over the shop a year and a half ago. Previously from Dolton, he has been a barber for the past ten years. The store owner and one other barber are steadily engaged in keeping their clients neatly groomed. Children's haircuts are a specialty at Verne's Toddlers may cry when they receive their first haircut, but soon become accustomed to the whirring of the electric clippers and sit quietly through the whole process, knowing when it is over, their reward will be a candy sucker. Verne was born in Streator. Part of his boyhood was spent on a farm in Odell, Ill., where he attended school. He later lived in Wilmington, the home town of his wife Elsie. During the last World War, Puffer was a private in the 3rd Div. of the 15th Infantry battalion, serving in Europe. The Puffer's have one son, Richard, 13, who will enter Bremen Community high school this fall. Richard plays the drums and was a member of the Tinley Park grade school band. The family are active mem-

bers of the local Methodist church, where Mrs. Puffer is

president of one of the women's circles.

The local barber, who likes to travel when not plying his trade, is a member of Tinley Park Veterans of Foreign Wars and Chamber of Commerce. He is also a member of Harvey Moose lodge.

19th Gladiola Festival Opens At Momence

The 19th annual Momence Gladiolus Festival, Aug. 16-18 is expected to attract more than 100,000 people from 48 states and some foreign countries.

The festival committee reports that more than three million gladioli will be on display. Many of the multi-colored flowers will also adorn the yards and store windows of Momence citizens and merchants.

Highlight of this year's program will be the famous gladioli show. It will contain exhibits of the Illinois State Gladiolus Society, the Momence Woman's Club and other gladiolus growers.

Other events will include three parades with giant floats decked with the colorful flowers, drum and bugle corps competition, professional entertainment and coronation of a glad-

lioli queen.

The Chicago Motor club reports that the most direct route to Momence is Rte. 1. The gladiolus community is 52 miles southeast of Chicago.

The Motor club says that motorists attending the colorful event will find an added attraction along Ill. 1, south of Momence. Thruout August, varied colored gladioli can be seen in almost every yard along a 25 mile stretch.

Some of today's pin-up girls ought to be buttoned up instead Ima Washout.

It takes nearly 10 quarts of milk on an average to make a pound of butter.

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis... the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford *scat* pays off in your kind of driving: in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and listen—drive and feel.

That fine-car quiet results from sound

insulation under the hood, under the roof, in door and body panels—the most insulation in any car at anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball-Joint suspension with wide base control arms for better steering, more stabilized wheel alignment... shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is new."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has

two. We'll show you the deep-block Y-like engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really is a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does, is Ford's huge production and the huge volume which we Ford Dealers sell.

But enough of this talk. Come in. And you do the driving and the talking. Bring the family, too.

FORD
goes first

NOW! A FORD with AIR CONDITIONING costs less than many medium-priced cars without it. **TRY ONE TODAY!**

WILL MAKE AWARDS

The Amvets post and their auxiliary have announced they will hold their awarding this Sunday Aug. 19 in the Mokena Community park at 5 p. m. This affair was interrupted last Sunday, for when it was planned, because of the severe storm.

A baseball has a cork center about the size of a marble.

New York and San Francisco Fairs commemorated the 150th anniversary of George Washington's inauguration.

St. George Altar and Rosary Group Plan Sale, Supper

The Altar and Rosary society of St. George church, Tinley Park, are holding a rummage sale at the school hall Wednesday evening, Aug. 22 from 6 p. m. to 9 o'clock and on Aug. 23 from 9 a. m. to 6 p. m. Clothing and furniture will be sold.

In conjunction with the sale, a spaghetti luncheon has been planned for Thursday afternoon August 23 from 12 noon to 2 o'clock. Reservations for luncheon must be made no later than Tuesday, August 21. One may call KE 2-4770 for reservations and further information.

Story Hour, Photo Classes at Park To End Next Week

Mrs. Fred G. Lehmann will conclude the series of children's stories next week that she has been relating to youngsters as a part of the summer playground program at Mokena Community park. The final date will be next Wednesday morning, between 10 o'clock and noon.

Mrs. Mary Zemeske, who has been teaching photography, will conduct her final classes between 1 and 3 o'clock next Thursday afternoon, Aug. 23.

Methodists Plan Workshop Tuesday At Green Garden

The Green Garden Methodist church will be the host church for a workshop meeting to be held Tuesday night, Aug. 21 at 8 o'clock.

The Rev. Dr. M. J. Powers, district superintendent will be in charge.

The session will be conducted on a question and answer basis, dealing principally with the program of the Rock River Conference for the coming year as it applies to the various Methodist churches that comprise it.

Stanley Lesniewicz Announce Wedding Date of Daughter

Mr. and Mrs. Stanley Lesniewicz of Lincoln Estates announce the engagement and approaching marriage of their daughter Elizabeth to Mr. Arthur L. Goss, son of Mr. and Mrs. Joy Goss of Mokena. The wedding will take place Saturday Aug. 25, in St. Mary's Catholic church Mokena. The reception will be held in the VFW hall in Mokena at 6 p. m.

The bride to be, is a student at St. Xavier college school of nursing Chicago. Mr. Goss is attending the University of Illinois where he is studying electric engineering.

Harold Homerding, of Mokena, to Wed Wilmington Girl

Mr. and Mrs. Clarence Hertline of Wilmington announce the approaching marriage of their daughter Carol to Harold L. Homerding, son of Mr. and Mrs. Peter Homerding of Mokena.

The wedding will take place Saturday evening, Aug. 18 in the Wilmington Methodist church at 7 o'clock. All relatives and friends of the couple are invited to attend the wedding and reception which will be held in the Young American's club room's, Scott and Irving sts., Joliet, from 8 to 12 p. m.

Mystery Picture Is Identified—Charles Swanberg

The Guess Who picture published last week of a Mokena business man, taken when a child, was correctly identified by Mrs. Anton Benson. It was Charles Swanberg, proprietor of the Swanberg Farm and Auto Service.

There were other guesses, naming Harold Cooper, Mayor Scarth, Albert Braun, John Balaz and Dick McGovney.

"Sometimes it seems that when a bride says, 'I do' she's looking around to see if she could do better!"—Herb Shriner.

Coming Events

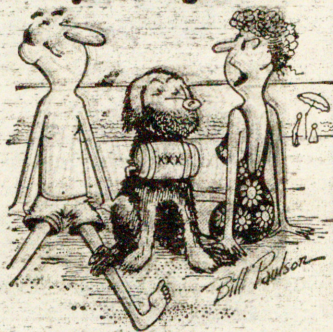

Sat. Aug. 18—Card party instead of Aug. 25, VFW hall, Mokena by Auxiliary.

Wed. Aug. 22—Rummage sale by Zion Ladies Aid, Tinley Pk. Parish hall, Zion Luth. church Tinley Park, beginning at 10 a. m. by Ladies Aid.

Sun. Aug. 26—Ice cream social, parish hall, Grace Episcopal church, New Lenox, by Woman's guild, starting 5 p. m., with home made pies & cakes.

Excluding the Presidents who were assassinated, three U. S. Presidents have died in office.

80% of Children in Suburbs Have Polio Shots

It is estimated that at least 80 percent of the children in suburban Cook county area are inoculated with polio vaccine, according to Dr. John B. Hall, Director of the Cook county department of public health. He pointed out that the health department has distributed about 450,000 cc of polio vaccine since the program began in April, 1955. This would be enough, he said, to inoculate 225,000 children, or four out of every five children in the area.

"There is an increase in the number of cases of poliomyelitis reported in the suburban Cook county area. However, it is not as great as in the city of Chicago," Dr. Hall said. So far this year the cases reported are 40 percent over last year's total at this time.

Those eligible for vaccine thru the health department, Dr. Hall emphasized, are in the most susceptible age groups - six thru 19 years and pregnant women. According to the county health officer, there appears to be enough vaccine on hand available for distribution for continued immunization, but the supply may be limited in the future.

Dr. Hall pointed out that poliomyelitis is rare in persons over age 40 and these older adults need have little fear of contracting the disease. In suburban Cook county so far this year, there have been no cases reported above the age of 40. Polio vaccine may be secured from commercial sources for those in other than the health department priority group. According to Dr. Hall, it is expected that inoculation with polio vaccine will prevent any large increase in the development of future cases.

Tinley Park, Ill.

FAITH

It was a farm wife in a small town in Michigan who said to me, "I don't expect that because I have faith in God, no misfortune or tragedies will come my way."

"What do you expect?" I asked.

"I expect that, whatever comes, I will be able to accept it," she replied.—Howard Whitman, "A Reporter In Search of God." (Doubleday).

Back Yard Pools Can Pose Health Problem

Dr. John B. Hall, director of the Cook county department of public health, warns homeowners associated with the installation of back yard swimming pools in suburban Cook county of possible health and safety hazards of back yard swimming and wading pools. Such pools, according to Dr. Hall, are presently not subject to regulations by the county or state health departments.

Public swimming pools must comply with minimum sanitation requirements as contained in the state statute. Dr. Hall pointed out these requirements provide for proper construction of the pool structure, equipment for recirculation, filtration and disinfection of all the water in the pool at specified rates, and for adequate shower and toilet facilities so that pool users can cleanse themselves prior to entering the pool. The sanitary engineers of the Cook county department of public health, under the supervision of Benn J. Leland, chief sanitary engineer, make periodic inspections of all public swimming pools in suburban Cook county and have arranged a program for routine collection and bacteriological analysis of samples of the pool waters.

These health protective measures are generally absent or at least not adequately provided in most private pools.

School, Site Brings \$3,000

School Dist. 160, in Rich township, Cook county, has finally sold its old school site and building at the southeast corner of 183rd and Cicero avenue.

The land and the old school was purchased by Frank Rakowska of Hinsdale for \$3,000, at public auction.

The site was given to the school trustees of Rich township by Cord Stege, who executed a deed for a transfer of the tract in 1875. It was sold now because it is no longer needed for school purposes.

The school building included in the sale is believed to have been the second one erected. It was a one-room affair that had seating accommodations for 30 pupils.

The new school, which is located at 185th and Central, is a three-room brick structure and a survey taken this summer indicates that its enrollment will be increased by approximately 100 pupils this fall, mostly from families moving into the J. E. Merriam & Co., home development across the road.

Approximately a third of the 115 homes planned for this subdivision have been completed. About 18 of them are now occupied and by early fall many more homes will be ready and occupied, it was said.

The school board sent questionnaires to the contractors and salesmen and the prediction on the increase in enrollment came from their answers.

Tinley Personals

Mr. and Mrs. Robert Holt entertained as house guests recently Mr. and Mrs. William Siefert and Mrs. Robert Smith and daughter of Houghton, Va. Tech. Sgt. Smith is stationed at Langley Air Force Base.

Mr. and Mrs. William Griggs of Woodstock, Ill. visited with the John Wojciechowski family on Wednesday of last week.

The first birthday of little Danny Rogers was celebrated on Sunday as relatives gathered at the Wally Rogers home to enjoy a delicious supper.

Mrs. Burey Springfield and son motored to Springfield on Saturday to attend the state fair. While there they also visited Lincoln's Tomb.

Mr. and Mrs. James Cheney and family have moved into their new home at 6311 Gaynelle Rd. in Kimberley Heights. Residents in their former home on Ravina are Mr. and Mrs. Lyle Nelson and son and daughter. Mrs. Nelson is a sister of Mrs. Phil Virtue of Glenview dr. Pvt. Wayne J. Blume, son of

Mr. and Mrs. John Blume of Vollmer Rd. Tinley Park is stationed at Camp Pendleton, Calif. with the First Marine Division's 5th Regiment. The camp completed a 100-mile training march in four days time as part of a physical conditioning phase of training.

Prize Winners in Homecoming Parade

Both Boy Scout and Girl Scout floats entered in the Mokena Homecoming parade this year used the Indian motif in their make up. The Boy Scout float (top picture) was awarded first prize and the Girl Scout float (middle picture) won second prize. Third prize went to a float entered by a neighborhood group and it carried the name, "Fantasy", by "The Neighbors." (Bulletin photo)

of the Prima African violet club on Tuesday of last week, in the home of Mrs. L. N. Lewis in Joliet.

Mr. and Mrs. Louis Pelkey of New Lenox were dinner guests in the home of their daughter, Mrs. John Loucks and family last Sunday. Mrs. Pelkey who has been seriously ill recently, is considerably improved.

Mr. and Mrs. Holloway from Joliet have rented the Wrey White cottage.

Mrs. Hannah Geist of Lockport is spending a few days with her daughter, Mrs. John Reiter and family on Bruce road.

William Drury of 151st St. is recovering at his home from a broken arm.

Eleanor Purdy is enjoying a two week's vacation from her duties at the Lockport Bell telephone business office.

Mr. and Mrs. Lawrence Bokoski, 159th St., left by auto Thursday morning for a week's visit with relatives in Washington, D. C.

John Kolar of Chicago visited in the Frank Kolar home Monday evening. He is employed in the office of Northwestern Air Lines.

Mr. and Mrs. George C. Frazer, former Homerites who have lived in Joliet for some time, have recently moved to the Ray Myers place on Farrell Rd., which they purchased from the Myers heirs.

Mrs. Bert Purdy and family were Mendota visitors Saturday of last week.

Building permits for three new homes have lately been is-

sued to these persons: Mr. Edward H. Schoefield of Dolton, Ill. for a four room frame house to cost \$19,000, to be built on Walnut Ave., near Spring Creek Rd.; Stanley J. Angus for a \$3,000 four room frame on Gougar Rd. one mile north of Rte. 7; and Owen Storm for a \$6,000 five room frame on Maple Rd. 1-2 mile east of Gougar Rd.

Mrs. Mary K. Baltz of Joliet has been engaged to teach Barnet school for the coming year. She is a former teacher of this school.

Mrs. F. J. Paddock is spending a few days with her sister, Mrs. John Loeffler in Naperville.

The George Burcham family left early Monday morning for a three day visit with relatives in Decatur.

Mrs. Ray Carlson, daughter Lana and son Jay, and Betty Anderson accompanied Mr. and Mrs. Rocco Sinderson of Joliet, to a camp in Michigan, to visit Lucia Sinderson on Sunday.

Doris Upton who has been spending the summer with her sister, Mrs. Erwin Cobb, Jr., on Bruce Rd., will return to her home in Virginia this week.

Graveside services were held Saturday morning at Brooks cemetery for Mrs. Dora Peck, aged 72, of Detroit, Mich., who formerly lived in Homer. Mrs. Peck died Thursday in Detroit. She was the wife of Merritt E. Peck who died in 1934. Among her survivors is a niece, Mrs. Grace Peck Kerr of New Lenox and Florida, also a native of Homer twp.

Sunday, Aug. 19, will be vacation day for Homer church and Sunday school. It is hoped that many people will take advantage of this day to visit other churches and Sunday schools.

Adult Camp

Shady Oaks Camp where child victims of Cerebral Palsy are cared for through the summer months, will be host to 45 adult patients who will engage in adapted camp activities from Aug. 19 to Sept. 1.

The campers will come from Bloomington, Joliet, Lincoln, Kankakee, Me. Vernon, Colfax, Bourbonnais, Lombard, Lake Forest, Buckley, Oak Park and Chicago. There are young men and women between the ages of 18 and 40.

They will be cared for by a staff of 25 persons headed by Tim Nugent of Urbana, head of the U. of Ill. Student Rehabilitation center.

There are approximately 30,000 cerebral palsied persons in Ill. Many of these campers need help in moving about, dressing, eating and communicating.

The camp is located on Parker road about midway between Rte. 7 and the entrance to Messenger Forest Preserve. On Sunday evening, in Homer twp., Aug. 26, from 3 to 6 o'clock, a visitors' day will be held at the camp, to which the public is invited.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Congratulations to Mr. and Mrs. Rudolph Weiss who recently celebrated their anniversary. Happy Birthday, Barbara! Barbara Weiss will celebrate her 8th birthday with a small party at her home tomorrow.

"Punky" Braun, cousin to the Niebrugge boys, Skipper and Bruce celebrated his birthday last Thursday at the Niebrugge home. The family party was attended by his father James Braun and brothers Kenzie and Dannie and their aunt and uncle, Mr. and Mrs. Matts of Hammond.

Mrs. James Braun is in Effingham with her father, Mr. Niebrugge who is ill.

Tuesday evening 13 couples and 11 young people attended the community "Hobo" party. Supper consisted of stew cooked in a huge pot over an open fire, coffee and donuts. Each hobo brought his own pie, tin, cup and utensils. After having supper in the Anderson's yard the party spent the evening square dancing at the Jack Nelson's patio where colored lights lit up the festivities as well as paper sacks placed about the yard which were weighted with sand and contained lighted candles. Many thanks to the gals behind the scenes, Mrs.

Falling Tree Crushes Car

Until the storm broke Sunday night Rudolph J. Kurnat of New Lenox township had a car that was only a couple weeks old. After the storm had passed the car was no longer new. A falling tree crashed down on the hood, driving the front wheels into the earth.

(News-Bulletin photo)

Militello, Nelson, Tabbert and Manos who prepared the vegetables in the Anderson's kitchen and did numerous jobs before the party took place. The couples who are building and were able to attend were Mr. and Mrs. Wm. Donohue, Mr. and Mrs. Wm. Murphy, and Mr. and Mrs. Mose Hyggie.

Last Sunday Mr. and Mrs. M. Hyggie brought their new daughter out to the Woods and introduced her to their neighbors. Barbara Jean has been home from the hospital three weeks and is coming along fine.

Sunday afternoon the Nelsons and Andersons attended the "Islanders" Sportsman's club picnic at Calumet Grove of which Andy is a member. Guests who returned from the picnic with the "Laguna-ites" were Mr. and Mrs. Henry Anderson and her parents the Arthur Littles, Mrs. M. Anderson of Chicago, and Mr. and Mrs. Roscoe Wilson of Villa Park.

That cute little ball of fur you see now and then at the Tabberts is the pup that belongs to daughter Carole.

ALPINE

Mrs. E. Mrosek
Fieldbrook 9-2841

Mrs. Stuart Culp, Jr. regent, Mrs. Roy Walker, Librarian, Mrs. Albert Reeves, Membership chairman, and Mrs. Edward Mrosek, attended a chapter meeting of the WOTM in Lockport, Tuesday evening, Aug. 7. Following the meeting, refreshments were served and table games enjoyed.

Eight Alpine youngsters endured the discomfort of truck transportation to attend the Teen-age dance, sponsored by the Loyal Order of the Moose, in Lockport, Friday evening. A good time was had by all.

Miss Evalyn Giesen of Chicago, is vacationing two weeks with her friends in Alpine. She never misses a 4-H fair.

Sunday was not a happy day for many who attended services at the Marley Community Baptist church to hear the Rev. Herschel Aseltine's farewell sermon. Much real regret is being felt over the departure of the Aseltine's who have contributed much to the church and to the community. They will make their home in Canada where he will continue working in the field of Christian endeavor.

The Edward Mroseks will leave Sunday evening for Seattle, Wash., where they will participate in a celebration honoring her parents Mr. and Mrs. Orlando B. Johnson, and their fiftieth wedding anniversary. The Mroseks expect to be away three weeks. His parents, Mr. and Mrs. Gust Mrosek of Chicago, will reside in their home during their absence.

During the next three weeks, news from this district should be called in to Mrs. Knox, Orland, FI 9-0211 or to the Semmler Newspaper office in Mokena, 3521 or 4151.

Fritz, a big grey dog belonging to Stuart Culp, threw his master into a panic Friday when he proudly trotted up with a skunk in his mouth to lay at Mr. Culp's feet. The dog had apparently stayed out of the way of the animal's one means of defense by attacking from

the front. It wasn't until the skunk tried to bite him that Fritz clamped down and broke its back. Mr. Culp quickly destroyed it. It is thought it was one that has been raiding the Culp's chicken yard. Fritz, who was none the worse off for the experience, is probably wondering why he didn't get the usual pat on the head for bringing his game in as a good dog is supposed to do.

On the eve of the 4-H fair, members of the Orland Boy's 4-H club have been pleased to receive an inspiring letter from their absent leader, Norman Bernard, who is in the service, stationed at Worms, Germany.

Norm writes:

"Dear Friends,
"It has been almost a year since I had to leave home to serve our great country. In this time I have thought often of the 4-H club and of the wonderful work being carried on by it. I am indeed grateful for all the wonderful experiences which I had as an active club member. Indeed, these have contained in the years which I acted as a club leader.

"I wish to take this opportunity to wish you all success at the forthcoming fair. This is one of the highlights in the 4-H club year but let us remember that this is not the end. The club year is only over after record books are completed and the honors for the year are announced at the fall rally. I hope that members of the Orland Boy's club walk off with a fair share of these honors. It would even be a great victory if the Orland club would be named as the outstanding club in the county for 1956.

"I have only been in Germany two months, but truthfully it seems like it has been much longer. It is interesting to meet and talk with the people here although it is somewhat difficult because of the difference in our languages. But all in all I believe it would be a wonderful experience for any young man.

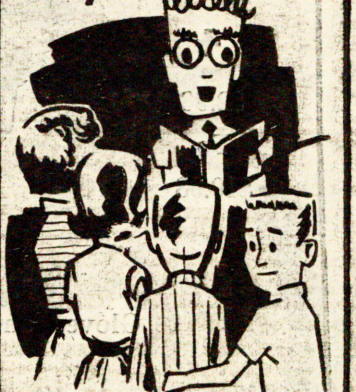

"I would like to wish you all success and happiness in whatever you may undertake.

Sincerely Yours,
Norman Bernard"

Bungalow houses originated in India.

EDDIE the EDUCATOR

says

The mental health of pupils and teachers should be a major concern of all. Let us remember this as we see large crowded classrooms.

TODAY'S meditation

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Hast thou faith? have it to thyself before God. (Romans 14:22.)

The people of a certain church had saved some money to build an education building by their church. An assembly of church members was held. The pastor presented the construction plans and estimated cost of the new building.

In opposition somebody said: "I consider it a great risk to take so large responsibility when our available money for this purpose is very little more than the amount of the first installment to be paid." The pastor replied: "If my brother has faith, let all be in the hands of the heavenly Father."

Two years later the building

was finished. The beautiful building was an eloquent evidence of the truth how men can receive from God's hands when they have faith in God.

Now, if somebody talks of this building as a victory of men on'y, the pastor says, in protest, "No! It was a work of the faith!"

PRAYER

O God, we praise Thee for the unshakable faith Thou dost give. We praise Thee for Thy servants of long past days and of people we know today. Use us to do something for Thy great kingdom. We ask it in our Saviour's name. Amen.

THOUGHT FOR THE DAY

God makes victories for people who have faith in him.

Tavares Franco (Brazil)

Convention Hall Should Be In Or Near Loop, Say Realtors

The site for the proposed Chicago Convention hall must be in the proximity of the Loop and the business district, according to a survey just completed among local realtors.

The first choice location, according to the survey, is the Union Station Air Rights; second choice, Dearborn Station area (south of Loop); and third choice is IC Air Rights, east of Wacker Drive.

In releasing the results of the survey, August 1, 1956, Anthony G. Allison, Executive Vice President of the Board, reported that the large majority of Board members opposed the Lake Front site, the poll showing:

23rd St. (Lake Front) 12 per cent of total; Union Station Air Rights, 33 per cent; IC Air Rights - East of Wacker Drive Extended, 20 per cent; Dearborn Station (south of Loop), 24 per cent; All others 11 per cent.

The purpose of the poll was to find out the opinion of the members on the controversial location of the Convention hall. Secondly, the Directors wanted to learn from the members if the Board should actively advocate the Convention hall project.

To this question about 90 per cent felt that the Board should work for the promotion of the Convention hall and help in its becoming a reality.

As a result of the poll, Frank Lynn, President, Chicago Real Estate Board, filed a letter with Major Lenox R. Lohr, Chairman, Metropolitan Fair and Exposition Authority.

In his letter, Mr. Lynn urged the authority to give serious consideration to the location of the Convention hall in proximity of the Loop and business district, citing the preference of the Board members for the Union Station Air Rights location.

Vital factors which will make the Convention hall a financial success must be given careful study. It is because of the availability of railway, highway, waterway, and local mass transportation facilities in the Loop area that the Convention Hall would be best situated here. In addition hotels, eating, entertainment and shopping centers are all within walking distance. These are important considerations in the decision which your Committee must make.

In conclusion, wrote Mr. Lynn, many hundreds of millions of dollars of taxpayer's monies have gone into developing our park system for recreational purposes for all of our citizens. We must guard against anything which might impair our recreational grounds and mar the beauty of our Lake Front.

Salt content in the Great Salt Lake is high because there is no outlet. The lake loses water only through evaporation, leaving only the salt.

Tinley Police Loop Team Wins Title

Beats Robbins to End Season With 9-1 Record

by Al Rodger

Bill McBurney's strong Tinley Park police team won the Sheriff Lohman south sectional championship last Sunday when it humbled Robbins to the tune of 11-4, thus ending league play with nine wins and one loss.

It became evident in the first inning that Robbins was in for a rough afternoon when Jerry O'Neil, first batter, doubled to center, Les Borms followed with a home run, scoring O'Neil, Roger Hug followed with a double and scored on Bob Rodger's single. Dale Hartwig walked and both runners advanced on a passed ball. Jerry Miller singled scoring Rodger and Hartwig. Darrel Erickson walked, Gary DuBois flied to third and Joe Lucas walked, filling the bases. O'Neil walked, forcing in Miller for the sixth run of the inning. Borms fanned and Hug flied to third.

Tinley added two runs in the fifth when Korowski, first batter grounded out, short to first, DuBois followed with a single, Lucas was safe at first on a fielder's choice as DuBois was out at second. O'Neil tripled, scoring Lucas and scored when the catcher threw wild to third. Borms fanned to end the inning.

Robbins scored their only runs in the first inning when Borne and Jackson walked, Jing singled and Thomas followed with a triple and scored on an error.

The Tinley crew started the sixth with Hug working a pass. Rodger singled and both runners advanced on a double steal Hartwig followed with a sharp single, scoring Hug and Rodger. Mortinson struck out, but the catcher dropped the third strike and threw wild to third. Hartwig scored and Mortinson was safe at first.

Korowski walked, DuBois singled, but Mortinson was out at the plate. Siemsen flied to third and O'Neil flied to short.

Rodger was the winning pitcher, yielding three hits while striking out 10. Robbins used three pitchers who allowed a total of 11 hits, while striking out three.

The Tinley team will now enter the playoffs for the Cook county championship. Details regarding opponent and date will be announced soon.

Cop Loop Team Cops Flag

The Tinley Park police team are the south section champions of Cook county in the Police league formed this year under Sheriff Joseph Lohman.

Left to right, in the first row are Joe Diamond, assistant manager; Bill McBurney, Jr., mascot; Bill McBurney, Sr., manager and coach; and Pete Seeley, member of Tinley police. Second row, Police chief Harold C. Moore, Gary DuBois, Roger Hug, Jerry O'Neil, Joe Lucas, Eddie Siemsen, Darrel Erickson. Back row: Gordon Thompson, Bob Rodger, Dale Hartwig, Jerry Miller, Les Borms, Tom Mortenson and Ronald Korowski. (Times Photo)

Mortinson	7	1	.143
Siemsen	10	0	.000

Gambling Trade Shows Nice Profit

Gamblers in northern Illinois were reported to have made some \$568 thousand dollars in business during the month of July.

Assistant director of internal

revenue D. J. Luippold today said receipts from the 10 per cent federal gambling tax totaled \$568,814 for the month in the 26 county district.

Luippold said July receipts last year were \$57,691 and receipts for June of this year were \$77,778.

Tigers are Jus' Roaring Along

The Tinley Tigers are doing O.K. in the South Suburban league and if they keep up the pace have a good chance to capture the flag. But whatever happens in the race there is one thing the Tigers have that the other teams haven't. The Tigers have the best looking scorekeeper, Judy Gray, who starts out the front row in pleasant fashion. Others, in the same row, left to right, are, Don Dziennik, 'Slick' Sedlacek and Ron Schaper, all pitchers; Dean Taylor and Dick Cowger, both catchers; Ron Harnack, 2b and Kenney Dunn, the bat boy; top row (l to r) Les Beccue, 1b; Paul Ebeling, lf; Daniel Anfield, rf; Dave Morlock, ss.; Al Heller, cf; Don Keuch, 3b and Eric "Moose" Nasebandt, manager. (Paul Leland photo)

Mokena Wins North Section Title Again In Ruth Circuit

Mokena's entry in the Wilco played Aug. 8. Tinley tied that Babe Ruth league won the sectional championship last week-inning but Manhattan won in end by defeating Manhattan 6 to 3 in a game played at Mokena Saturday.

Mokena won the sectional title by defeating whoever the round of play so its win over sectional winner may be in the Manhattan decided who would face the southern champs.

Manhattan won its way into the sectional finals by defeating Tinley Park 5 to 4 in a game played Aug. 8. Tinley tied that Babe Ruth league won the sectional championship last week-inning but Manhattan won in end by defeating Manhattan 6 to 3 in a game played at Mokena Saturday.

Peotone Taps Tinley Small Fry In First Game of Title Series

Tinley Park Small Fry lost the first in a two out of three game series for league championship to the fast Peotone nine last Sunday at Tinley by a score of 5-0.

Pitchers Jerry Romanenghi of Tinley and F. Vaniten of Peotone allowed only three hits each, but errors by the home nine decided the contest.

Peotone opened the first inning when S. Cann walked and scored on J. Ruge's triple. D. Palmer was safe at first on an error by the shortstop and Ruge

scored. Vaniten flied out to right field, D. Jacobs walked but C. Warner and A. Meyer fanned. Peotone sewed up the game in the sixth when J. Flatt walked and Cann and Ruge were safe on errors to fill the bases. Jacobs followed with a double to add the final three runs to their total.

The winning pitcher was Vaniten, while Romanenghi was charged with the loss.

Peotone were host to Tinley last night when the second game in the series was played.

Tinley Ruths Fail In Quest For Ruth Title

The Manhattan Babe Ruth team defeated Tinley Park Aug. 8 by 5-4 to clinch the second round and qualify to meet Mokena, winners in the first round for the northern section championship, Saturday, Aug. 11.

Tinley opened the scoring in the second inning on Denny Tattum's home run. Manhattan evened the count in their half when Robbins flied out to left, Gast tripled and scored on Gallagher's fly to deep short and Nemenich flied to the pitcher.

Tinley added another run in the fourth when Farrell tripled and scored on Meyer's single.

Manhattan came back strong in their half of the fourth, scoring three runs when McGuire walked but was thrown out at second on a fielder's choice when Wandless grounded to short. Robbins was safe at first on an error. Wandless went to second, Gust struck out.

Gallagher was safe at first on an error, filling the bases. Nemenich came thru with a single scoring Wandless and Robbins. Nemenich stole second and Gallagher scored on the throw. Smith struck out.

Tinley tied the score in the seventh inning when Meyer and Eggert struck out. Goebel worked a base on balls and Tattum followed with his second home run. Hoffman singled but Konig flied out to left.

Manhattan won the game in the extra inning that followed as Delaney walked, stole second and scored on Peterson's double to center.

The winning pitcher was McGuire who yielded five hits while striking out 11. Eggert was the losing pitcher, striking out five and allowing four hits. Tinley Park Ruth's are now

If success runs in streaks, Johnny Riva of Morton Grove will be the driver to stop in the midjet auto races Saturday nite at Joliet Memorial Stadium.

First it was Willie Wildhaber of Lexington, Ill., who started it off by winning a 50 lap feature race several weeks ago. "Wild" Willie followed that with a main event victory the very next week.

After a one-week interlude when Johnny Meyers of Chicago won, Streater's Bob Tattersall came up with three straight feature victories.

Riva last week broke Tattersall's skein and will be looking to start one of his own next Saturday.

Among the chief threats to stop Riva will be Mike King of Evanston, Tony Lenti and John Lodi of Chicago, Phil Ashline of Kankakee, Ken Rubright of Lyndon and Jolietans Tony Saylor, Bernie Wilhelmi, Corky Singer and Sam Robinson.

Time trials Saturday will start at 7:30 pm. and the first race at 8:30 pm. There will be four heat races, a handicap event, 15 lap semifeature and 25 lap feature.

Heredity is when a teen-age boy winds up with his mother's big brown eyes and his father's long yellow convertible." —Sammy Kaye.

The average person eats about 104 pounds of potatoes a year.

looking forward to next season when they expect to field another strong team and regain the championship.

Manager, Reinie Meyer, expresses thanks to fans for their help and support this season.

Cites Danger of Giving State Assembly Free Hand With Taxes

The danger of "taxation without limitation" is emphasized in a booklet distributed throughout the state by the Taxpayers Information Council that calls for defeat of the proposed Revenue Amendment to the Illinois Constitution at the Nov. 6 election.

The proposed amendment which will be submitted on a Blue Ballot provides for modernization of the tax system in Illinois by giving the legislature unlimited power to classify personal property and to set any rate it desires for each classification.

The Council's booklet calls this "dangerous, unnecessary and certainly objectionable". It calls for improvement of the personal property system "with safeguards to the taxpayers against possible abuses by the legislature."

While the proposed amendment does not prohibit a graduated income tax, the booklet points out that an ungraduated income tax or a payroll tax would be possible.

In addition, the prohibition against a graduated income tax could be evaded under the proposed amendment, according to the taxpayers booklet.

"The unlimited power of the legislature to tax various classifications of property at various rates could result in a graduated income tax in fact, if not in name. For example, a flat rate tax on income from salaries, wages, and professional fees could be imposed. A tax on real estate income at a different rate would be possible. Then, a tax on savings accounts, mortgages, stocks and bonds, measured by income, could also be legally imposed at still another rate. A tax

on corporations, measured by income, at a completely different tax rate could also be established. Since income is property, and since the legislature under the proposed Amendment would have the power to define and classify property for taxation, there doubtless could be other separate classes separately taxed."

The booklet also points out the possible effect of the amendment on real estate taxes.

"Real estate is taxed by valuation now. If the amendment passes, the legislature could base the tax on income, or rental value or on any other basis it chooses. Who can foresee the imaginative methods that could be invented?"

The Taxpayers Information Council recommends in the booklet that the proposed Revenue Amendment be defeated at the Nov. 6 election, "another amendment can be carefully drawn by the state's leading organizations to meet specific needs and to correct particular evils without surrendering basic protections of Illinois taxpayers against abuses of the power to tax."

The Council points out that a proposed amendment drafted by the Illinois State Chamber of Commerce, Illinois Manufacturers Association, Chicago Association of Commerce and Industry, the Taxpayers Federation of Illinois and the Civic Federation was defeated by the legislature which voted to re-submit the identical amendment defeated at the 1952 election.

A group of prominent business and civic leaders are listed as members of the board of advisors of the Council.

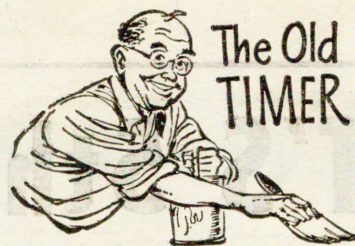

Skidding Truck Leaves 5-Mile Area Powerless

Residents of a portion of New Lenox township, in common with several thousand others in an approximately five-square mile area including the southeast side of Joliet, were without electricity for a short time last Thursday morning as a result of a skid by a semi-trailer.

The semi-trailer, driven by Robert L. Osborn, 30, of Hutsonville, Ill. was traveling north on U. S. 52 about two and a half miles north of Manhattan when the rear wheels went off the pavement, skidded in the gravel on the shoulder and crashed into a wooden pole carrying a 34,500-volt power line.

The pole came crashing down, damaging a fence on the Gerald Kestel farm but missing the trailer, tractor and driver. The accident occurred at 7:39 a.m. because that is the time when the Public Service Co. noted a power failure in the area. Some 4,300 residents on the southeast side of Joliet, more than 900 rural residents and persons living in Manhattan, Wilton Center, Symerton and a portion of New Lenox were left without electricity. Several industrial users also were affected, including the Service Pipe Line station at Manhattan and the American Cyanamid and National Stone Co. at Joliet. The McDonough street bridge in Joliet could not be operated either.

But by 9 o'clock service had been restored thruout the area. Some lines had been restored a couple of minutes after 8 o'clock.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Missionary Society will hold their annual Bazaar and supper at the Marley church on Thursday, September 20th.

Mr. and Mrs. Victor Blaha, of Miami Beach, Fla., have been guests in the home of Mr. and Mrs. John Hasibzr.

Mrs. B. D. Osborn spent the past week visiting friends in Southern Illinois.

Mr. and Mrs. Arthur Collier spent Friday in Arcola, Ill., where they attended funeral services for his grandmother.

Dolly and Victor Blaha and Johnny Hasibar, have returned home after spending two months with Mr. and Mrs. Victor Blaha at Miami Beach, Florida.

Friends of Mrs. Albert Gee, who lives in Douglas, Ariz., will be interested to learn that she has been confined to the hospital for the past two weeks with a fracture below the hip. She suffered the injury in a fall in her home. Mr. and Mrs. Norman Armstrong of Joliet, who have been on a western trip, spent several days with her last week and report she is in fine spirits and improving nicely. She was expecting to return to her home at 860 13th St. in a few days.

Mr. and Mrs. Robert Sproat and family spent Monday with friends in Urbana.

Mr. and Mrs. Daniel Sass entertained at a family gathering at their home on Saturday in honor of the birthday anniversary of their aunt, Miss Cora Hyink. Guests were Mr. and Mrs. William Mahaffey and Mrs. Agnes Hyink of Palos Park; Mrs. John Purday and daughter Mary Frances of Dowagica, Mich.; David and Douglas Vogt of Allegan, Mich.; Frank Liszt and sons James and Bud and Miss Hyink.

Mr. and Mrs. Durward Killinger and son Scott of Joliet were supper guests Sunday evening in the home of Mrs. Adella Sproat.

Mr. and Mrs. Charles Laffler had as their dinner guests on Sunday, Rev. and Mrs. Herschel Aseltine and sons Teddy and Dick and Miss Helen and Miss Caroline Tilsey.

Alyce Elizabeth Ingram is spending several days with her grandparents, Mr. and Mrs. Charles Elliott.

Mr. and Mrs. Charles Ingram and sons Charles and Phillip vacationed the past week at Lac du Flambeau, Wis.

Mr. and Mrs. Russel Lauffer and family and Miss Louise Berg motored to Cullom, Ill. on Thursday, where they were guests in the home of Mr. and Mrs. Vernon Haag.

Mrs. John Purday and daughter Mary Frances of Dowagica, Mich., were guests last week in the Frank Liszt home.

Miss Louise Berg is spending this week with her grandmother, Mrs. Dorothy Redfern at Lakewood, Ohio.

Mr. and Mrs. Charles Elliott entertained at a picnic supper at their home Saturday evening in observance of Mr. Elliott's birthday. Guests were Mr. and Mrs. Earl Brain, Mr. and Mrs. Earl Tuller and Mr. and Mrs. A. C. Johnson of Chicago; Mr. and Mrs. Charles Ballantine of Palos Heights and Mr. and Mrs. Charles Elliott, Jr., of New Lenox.

The Marley Community church is having vacation. There will be no church services on Sundays Aug. 19 and 26.

Mr. and Mrs. Fletcher Binion entertained at a weiner roast at their home Friday evening in honor of the second birthday of their son Gene. Guests were Mr. and Mrs. Robert Maywold and daughters of Lombard, Mr. and Mrs. Don Benn and daughter Donna Sue of Crystal Lawns and Mr. and Mrs. Fletcher Binion, Sr.

Screw worms cannot survive in temperatures below 50 degrees and are usually spread northward each spring by way of shipments of animal from the southern states.

Wheat is especially liable to insect or rodent contamination since it is harvested and stored during the height of the insect season, say entomologists at the University of Illinois.

Annual Production of Lincoln Play Is Set for 10-day Run

The eleventh annual production of "Abe Lincoln in Illinois" will be presented by the Abe Lincoln Players, Inc. at New Salem State Park Aug. 16, 17, 18 and 19th and also Aug. 24, 25, and 26, and again Aug. 31st, Sept. 1 and 2. During the first week-end the show is being given in cooperation with the Illinois state fair officials, so that fair goers will have an added attraction and as an incentive to visit New Salem State Park, which is only 18 miles from Springfield.

During the past ten years that this show has been given, it is estimated that more than 250,000 people have seen this famous stage play. Unlike many is not a pageant but is the other Lincoln productions, this original Broadway play as written by Robert E. Sherwood and has eleven fast moving scenes packed full of action, drama and humor. The show as presented on three large stages specially built at New Salem State Park, in an outdoor theater with a seating capacity of 3,500. Specially built amplifiers carry every word spoken to all corners of the theatre.

The Abe Lincoln Players, Inc., which produces this show, is a not-for-profit corporation, and the members of this organization donate their time and effort to this annual project. The castry has remained almost intact thru-

out the past ten years, so that the present production surpasses many professional shows. G. William Horsley will again portray Abraham Lincoln as he has since the play was first produced at New Salem.

The price of admission for this year's production is \$1.00 for adults and 25c for children, which includes federal tax. Beautiful souvenir programs are being prepared for this year's production which will be sold for 25c.

Altho no reserved seats are sold, mail reservations will be accepted and seats will be reserved for parties coming long distances. Reservations may be made by mail addressed to Abe Lincoln Players, Inc. 408 East Adam st., Springfield.

Vernon Bormet Resigns Police Post in Mokena

Vernon E. Bormet who has been police officer for Mokena for the past three years, offered his resignation Tuesday night at the Mokena village board meeting. Bormet gave his reason for resigning that his hours have been increased and changed at the place of his employment, The Consumers Co. stone quar-

work and also work for impounding and handling stray dogs in the village. He thanks the board for their cooperation while he was so employed.

Mrs. Katharine Heisner
Frankfort 4902

Duane Kurth, son of Mr. and Mrs. Clarence Kurth former residents of this vicinity was united in marriage with Miss Shirley Babcock of Elkhorn, Wis., Saturday evening at the Congregational church. Those from here who attended the wedding and reception were, Mr. and Mrs. Siegfried Beckman and son, Mr. and Mrs. John Wille, Mr. and Mrs. Arthur Sipple, Mr. and Mrs. Harry Voight, Mrs. Mary Lorenzen, Mr. and Mrs. Norman Lorenzen and Arthur Weber and his sister Lulu Weber. The Beckmans, Willes and Sipples remained for the weekend at Elkhorn, Wis.

The annual Krapf reunion was held Sunday at Innwood Park beginning with a potluck dinner at noon. There were over 100 members present. A social afternoon was enjoyed. The family coming the farthest was Mr. and Mrs. John Stander of Lowell, Ind. The oldest lady, Mrs. Anna Wanner, 89, of Peotone; the oldest man, Jake Krapf of Manhattan; the youngest member was the six month old daughter of Mr. and Mrs. Harry Leasure of

Morris. The following were elected for the coming year:

Martin Krapf, Lowell, Ind., president; George Krapf, Morris, vice-president; Jake Krapf, Manhattan, treasurer; Harry Leasure, Morris, secretary.

The Busy Homemakers Home Bureau unit met at the home of Mrs. Rudolph Soucie at Beecher, Aug. 8, beginning with a potluck picnic dinner at noon. After dinner a demonstration on "Preparing a Spanish Rice Casserole", was given by Sharon Uthe. A social afternoon was spent by the 15 members and 11 guests present. Later, coffee was served with a lunch. The next meeting will be held at the home of Mrs. Harry Palmer, Wednesday, Sept. 5, with Mrs. Carl Johnson presiding at the business meeting.

Mr. and Mrs. Leslie Koenig and Mr. and Mrs. Lee Heisner and their families attended the annual Mager reunion Sunday at the William Mager home at Tinley Park.

Mr. and Mrs. Frederick Uthe entertained relatives at a weiner roast on their lawn Sunday evening. Guests were, Mr. and Mrs. Harris Darling and family of Chicago Heights, and Mr. and Mrs. John Gabor and family of Blue Island.

Mr. and Mrs. Charles Schultz had as dinner guests Sunday, Mr. and Mrs. Harold Peters and family of Blue Island, Mr. and Mrs. Jack Ball and family of Frankfort and their son Charles,

and is being transferred to Jr., who has returned home after serving three years in the 48th Infantry Division with the armed forces in Korea.

Miss Rita Toepper, Miss Barbara Scheer, Miss Janet Voight, Miss Ruth Ann Rainford, Miss Bonnie Torok, Miss Ann Lehnert and chaperone Mrs. Harry Voight, members of the Snip-n-Snack 4-H club returned home after spending three days in classes at the Springfield fair. Miss Phyllis Ann Rosendahl exhibited a dress for construction at the fair. The projects carried thruout the year by these girls were clothing and food.

Mr. and Mrs. Clarence Johnson will be hostesses to the MYF cottage prayer meeting next Sunday at 8 p.m. in their home.

Mr. and Mrs. Harold Scheer and daughters have returned after a week's vacation spent at Chippewa resort at Crystal Falls, Mich.

The WSCS of the Methodist church will have charge of the lunch counter at the Peotone fair this year, Aug. 24, 25 and 26.

Mr. and Mrs. William C. Bettenhausen and family attended the Homecoming over the weekend of his fraternity brothers at the farm house at Urbana.

Because Mr. and Mrs. Walter Voss of Peotone are moving to San Diego, Calif., to make their home with their daughter, Mr. and Mrs. Erich Simmons, they will be honored with a farewell party. It will be held Sunday afternoon in the Green Garden hall.

Three birthdays were celebrated Sunday afternoon with a party and pot luck supper held at the home of Mr. and Mrs. Gilbert Voss. The birthdays were those of Mr. Voss, Gill Voss, 5 years, of Brookfield and Mrs. Ray Canterbury. Other guests were the Canterbury family, Mr. and Mrs. Alvin Bruggemann, Mr. and Mrs. Harry Bruggemann and family, Joliet; and the Glenn Voss family of Brookfield. Canasta was played in the evening.

Pvt. Donald George Swanberg is spending a 13 day furlough with his parents, Mr. and Mrs. Andrew Swanberg. He came from Ft. Leonard Wood, Mo.,

Virginia.

The Green Garden Home Bureau Unit will have their picnic, beginning with a potluck dinner at noon, next Sunday, at the home of Mr. and Mrs. Harold Scheer.

During the fiscal year ending June 30, 1956, the clinical services of the University of Illinois College of Veterinary Medicine treated 18,242 animals.

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

The annual sweet corn supper which the Woman's Society of Christian Service, Orland Park Methodist church sponsor, will be held Thursday evening, Aug. 23. Serving will start at 5 p.m. and continue on til 8 p.m. Every one is welcome. Supper to be served in the dining room of the church.

The regular meeting of Orland Park unit 526, the American Legion auxiliary was held Friday evening in the home of Dagmar Myrick, instead of the Legion hall as had been announced. In the absence of the president, Hilda Nitsche, Elsie Robson presided. The most important business was to elect a president. Dagmar Myrick was elected to that office, and as at the previous election, she had been elected 2nd vice president, she had to resign from that office. Elsie Robson was elected to 2nd vice president.

Mrs. Myrick appointed Adele Cooper to serve as her secretary. Plans were discussed to hold installation of officers at the next meeting, Sept. 14 and will be held at the home of Mabel Ekberg. Officers to be installed are: Dagmar Myrick, president; Gusie Hallinan, first vice president; Elsie Robson, 2nd vice president; Adele Cooper, secretary; Lillian Knox, treasurer; Dorothy Thoms, historian; Sarah Myrick, chaplain and Florynce Sayers, Sgt. at Arms. The unit voted to contribute \$5 to the Salvation Army, which they have been contributing the past years. Following adjournment, refreshments were served by Dorothy Thoms and Lois Garmon.

Saturday, Aug. 25 is the date set for the sale of articles made by the patients of the Occupational therapy shop at Oak Forest infirmary. This sale will be held at the home of Mabel Ekberg, president of the Orland Park Woman's club and also chairman of the OTC project of the club. Sale starts at 9 a.m. and continues to 5 p.m. The public is invited to attend. Reports are there are many new designs in rugs, aprons, stuffed toys etc. also jewelry. So come out and see for yourself, there may be ideas for Christmas gifts.

Dorel Myrick and her aunt Miss Lillie Mattsen motored to Batavia to join another relative to spend a few days at Eagle River.

A week ago Monday, while Judy, daughter of Mr. and Mrs. Robert Miller was riding her bicycle with a playmate on the handlebars, they fell. In the fall the wheel pedal gouged her knee. She was laid up for the rest of the week, but is able to walk. The playmate was not injured.

The Stanley Cooper family have returned from a vacation trip to Paw Paw lake, Mich., where they enjoyed swimming.

Miss Rose Enders and Mrs. Joseph Rust paid a surprise visit to Mrs. Ben Hyink, Palos Park, Thursday evening to honor her birthday.

Mrs. Karl Ekberg left Saturday to spend a few days at Lake Geneva with a friend.

The Evening circle, WSCS, Orland Park Methodist church, will meet this evening Aug. 16 at 8 o'clock in the home of Mrs. Harold Shroats. All members are urged to attend.

Mrs. Annice Eckert will entertain Laurel Camp 1796 RNA Thursday evening, Aug. 23 at 8 p.m. For the social period she will be assisted by Mary Lavery and Lucille Uthe.

Mrs. Norman Eckert had as her guests for a few days, Mr. and Mrs. Harry Stoft and Miss Isabelle Baum of Jacksonville, Fla. They had been visiting friends in Oak Lawn, Chicago and Milwaukee.

Mr. and Mrs. Charles Mullin and family who reside near San Francisco, Calif., have been visiting relatives in Chicago and Joliet since the early part of July. Charles is a former resident of Orland and attended Orland schools. He is an instructor in horticulture in a high school in California. Last Friday evening Mr. and Mrs. Harold Shroats entertained at an outdoor picnic in their honor. Most of all former classmates and their families were represented at the get together, about 50 in all. They had an enjoyable

time reminiscing over their school days, and activities.

Mr. and Mrs. William Grove are parents of a son, born Saturday, August 11 in St. Francis hospital, Blue Island. The infant weighed 7 pounds 10 ounces and has been named Dennis William. Mother and son are doing fine and expect to be home by the end of the week. Mrs. Lois C. Grove of Hannibal, Mo., is visiting with her son and family.

Carol Ann and Owen Creer, Jr. are spending their vacation with their grandmother, Mrs. James Creer.

Mrs. Elsie Broadbent of Oshawa, Canada is enjoying a vacation with her daughter, Mr. and Mrs. Clarence Creer and friends.

Mrs. Jake Ballou and mother Mrs. Webb are back in Orland for a month and will return to Clearwater, Fla. where Mrs. Ballou has a home.

Nitrogen added to corn in dry years will not benefit yields as much as the same amount of nitrogen added in years of enough rainfall.

Commonwealth Edison Orders New 305,000 Kiliowatt Generator

Commonwealth Edison Co. has ordered a 305,000 kilowatt generating unit for its Joliet station, Willis Gale, chairman has announced.

The turbine-generator, scheduled for service in 1959, will be built by General Electric Co. at Schenectady. The steam generator will be constructed by Babcock & Wilcox Co. The 305,000 kilowatt unit is the third of this size ordered by Commonwealth in the last eight months. It will bring to a record total of 1,595,000 kilowatts the amount of generating capacity now on order or under construction.

Last January the utility ordered a 305,000 kilowatt unit for its Fisk station in Chicago. One of the same size was ordered in December for installation at Waukegan station.

Other big generating facilities on order and under construction include a 260,000 kilowatt unit to be completed in 1957

at Will county station, a 205,000 kilowatt unit for Crawford station in 1958 and the 180,000 kilowatt Dresden Nuclear Power station scheduled for completion in 1960.

Replacement of a generator at Northwest station in Chicago in 1957 will increase capacity of that plant by 35,000 kilowatts. During the years 1956 through 1958 the system is removing 189,000 kilowatts of old capacity.

The new Joliet unit is part of Edison's \$600,000,000 construction program for the four-year period 1956 through 1959.

Chalma Hizer, 55, Succumbs After Long Illness

Mrs. Chalma Hizer, wife of Joseph Hizer, 17810 Oak Park

ave., Tinley Park, passed away at her home at 10 p.m. August 5, following a lingering illness. She was born Sept. 2, 1900, and had lived in Tinley Park for the past seven years, having moved here from Chicago.

She is survived by her husband, Joseph, two sons, John of Chicago and James of Blue Island, and five grand children. Also surviving is her father, Henry Miser, 85 years old, who lived with the Hizer family.

Services were held Wednesday, August 8 at Auburn, Indiana.

Installment plan buying in England is known as the "hire purchase" system.

ED LAUFFER, PROPRIETOR

FRANKFORT

Mrs. Katharine Heisner
Frankfort 4902

Mr. and Mrs. William Breidert and Karen Jean and Mr. and Mrs. Linus Rehberg of Monee were dinner guests of Mrs. Victoria Hossbach Sunday.

Mr. and Mrs. Donald Freeh were the honored guests Saturday evening when a group of 25 neighbors gathered for a surprise housewarming at their home on 122 Pacific st. The evening was spent with a scavenger hunt and other games, after which refreshments were served. The honored couple received a purse from the group.

Mr. and Mrs. Eugene Baker of St. Petersburg, Fla., spent Sunday with Dr. and Mrs. W. V. Hedges. David Meyers of Evanston, a former classmate of Roger Hedges, was also a guest.

The annual Bettenhausen reunion will be held at Van Horn woods next Sunday beginning with a potluck dinner at 1 p.m. Mrs. Matilda Fuss of Joliet spent Sunday with Mrs. Marie Bettenhausen.

Mrs. Fred Heusner returned from Silver Cross hospital last Thursday and is convalescing nicely in her home.

Mrs. Herbert Folkers spent last week as counselor of the newly established Girl Scout camp at Morris.

Mr. and Mrs. Harry Miller and Lorna spent Sunday evening with Mr. and Mrs. Fred Schinkowski.

Mrs. Henry Mark and Mrs. Katherine Heisner motored to Rockford last Tuesday to visit Mrs. Georgia Campbell at the Eastern Star home.

Mr. and Mrs. Orville Schinkowski and Freddie and Mr. and Mrs. Fred Schinkowski motored to Arlington Heights Sunday, spending the day with Mr. and Mrs. Earl Schinkowski. The former's daughter Rita Ann returned home with them, after spending several days at the Earl Schinkowski home.

Mr. and Mrs. Lester Heisner and family attended the annual Mager reunion Sunday held at the William Mager home at Tinley Park.

Mr. and Mrs. Bror Johnson, Mr. and Mrs. Leonard Johnson and families of Joliet and Mr. and Mrs. Walden Larson and daughters were supper guests in the George Sangmeister, Sr. home Sunday.

Dr. and Mrs. Claude Otto and family spent several days this past week at Antioch with Terry Schroeder and Sherri Nieland as their guests.

Mr. and Mrs. Harold Ebert attended the wedding of Duane Kurth, son of Mr. and Mrs. Clarence Kurth, and Miss Shirley Babcock of Elkhorn, Wis. The wedding took place in the Congregational church Saturday evening. The Ebert's attended the reception also and then spent the weekend at Elkhorn.

Mr. and Mrs. Robert Simpson entertained in their home Sunday in honor of her father, John Schilling and his birthday. A potluck dinner and supper was served. Guests were Mr. and Mrs. John Schilling and Eleanor, Mr. and Mrs. Arthur Schilling and family, Mr. and Mrs. Howard Bell and family, Mr. and Mrs. Charles Bell, Mr. and Mrs. Walter Christian and family of Melrose Park; Mr. and Mrs. Albert Sylvester and family of Chicago; Mr. and Mrs. Gerhardt Christian, Dundee; Mr. and Mrs. Arnold Christian, Elgin; Alfred Christian, Algonquin; Mr. and Mrs. Clifford Peterson, West Chicago and Mr. and Mrs. Morris Hint and family of Elgin.

The Rev. and Mrs. Erich Bizer attended the Fruechte family reunion at Eitzer, Minn., Sunday.

Mr. and Mrs. Lawrence Woodman have gone to Mayo's Clinic at Rochester, Minn. this week where Mr. Woodman is undergoing a medical checkup.

Mrs. Lester Heisner and daughter Nancy and Mrs. Katharine Heisner motored to Culver Ind., last Thursday, spending the day with the Edward Lane family. Douglas Heisner returned home with his mother after a 10 day vacation at the Lane home.

Miss Pat Heisner and Miss Mary Mark spent a week vacation at The Dells in Wis. They also went sightseeing at various other places.

Friends of Dr. and Mrs. Joseph Petnuch honored them

in their home Saturday evening at a farewell party from their neighborhood. The Petnuchs will move this Friday to their newly built home on Wolf road in Brias Wood. A potluck dinner was served. Guests were, Mr. and Mrs. Glenn Schroeder and daughters, Mr. and Mrs. Earl Moss and family, Mr. and Mrs. Glenn Nissen and daughters, and Mr. and Mrs. William Besse and family. The group presented a gift to the Petnuchs.

The Royal Neighbors of Frankfort will charter a bus Aug. 29 to go to the organization's main office at Rock Island and also to the Old People's home at Davenport, Ia. All reservation are to be paid by Aug. 24, making payment either to Mrs. Fred Kohlhausen or Mrs. Bertha Nieland.

Dr. and Mrs. G. L. Berner of Louisville, Ky., were over night guests of Dr. and Mrs. Irving Rudman last Wednesday. Dr. Berner and Mrs. Rudman served in the Far East during WW II.

The public school will open Tuesday, Sept. 4 as announced by Miss Viola Lankenau, principal.

The Honey Bees 4-H club will go to Chicago today, Aug. 16. They will tour the tea room at Carson, Pirie, Scott & Co., where they will also have lunch. They will see "The King and I" at the Oriental theatre, attend a teen-age fashion show at Carson's and tour the Prudential Life Insurance building. They will meet at the home of their leader, Mrs. Irving Rudman and at Gill's service station in Lincoln Estates at 8:45 a.m.

4-H Winners

The following members of the Honey Bees 4-H club were blue

ribbon winners at a recent Achievement day held in Joliet: First Year Sewing; Judy Abbott, Esme Bell, Betty Chapman, Sandy Harwood, Beverly Kluth, Rosemary Ritt, Cathie Sinnott, Norma Jean Smith and Judy Wheeler.

Advance Sewing; Gail Hobson, Mary Ann Otto, Diane Schoen, Leanne Schroeder, April and Marcia Schweizer.

Cooking; April Schweizer and Diane Schoen.

Handicraft; Vivienne Eisenbrandt, Connie Morrison, Ruth Ellen Nice, Diane Schoen and Cathie Sinnott.

Lohman Confers With Police to Curb Gambling

Sheriff Joseph Lohman met with 15 Cook county police chiefs and Chicago police officials in plans for a concentrated effort to wipe out gambling in the county.

Lohman told the officials that 123 federal wagering stamps and 11 gaming device stamps have been issued to county residents since the beginning of the fiscal year July first. Totals for all of last year were 403 wagering and 607 gambling stamps.

Lohman's office was set up as a clearing house of information concerning gambling activities. The 15 chiefs agreed to investigate stamps sold in territories within their jurisdiction and turn over to the federal government names of those who gave false addresses.

Nineteen county police chiefs

were invited to attend the meeting. Fifteen were there from Cicero, Blue Island, Riverdale, Chicago Heights, Dolton, Tinley Park, Calumet Park, Matteson, Berwyn, Calumet City, Berkeley, Steger, Melrose Park, Hillside, Desplaines and Deputy police chief Kyron Phelan of Chicago Police department.

WANT ADS PAY

HER KITCHEN-10 degrees cooler-

HER RANGE-a modern electric

Hot weather's here again. And unless you have a modern electric range, your kitchen's likely to get even hotter when your oven's on a couple of hours.

Uncomfortable? Yes, and unnecessary. Today's electric ranges keep your kitchen about 10 degrees cooler because they keep the heat in the oven where it belongs.

Modern electric ranges also keep your kitchen cleaner. (Actually twice as clean as other ways of cooking.) And today, *nothing* cooks faster.

The latest electric ranges offer many "new idea" features. For example: built-in rotisseries, smokeless broilers, counter-top cooking units and automatic controls. See them at your dealer's. Discover how easy it is to own a cool-cooking electric range.

Big saving—we pay part of your range installation cost!

Need modern wiring? We share the cost with qualified home owners in 1, 2 and 3-family dwellings.

And you get more than a money saving!

Modern wiring helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

Right Container Most Important In Freezing Foods

Even tho you freeze top-quality foods, the final products will score low in nutritive value, taste and appearance if you don't use the right container.

Mrs. Rorothy McIvor, University of Illinois foods specialist, says waxed paper, ice cream and cottage cheese cartons are not

proper freezer containers. She suggests using polyethylene bags or sheets, butcher's waxed paper or heavy aluminum foil or containers of aluminum, glass, plastic, tin or heavily waxed cardboard.

Ridgid aluminum containers are available now, but they're expensive. They are rectangular and have tight-fitting lids that slide on. Food may be heated in them.

Tin cans used for freezing are best if they have a special

enamel lining to prevent the tin from poisoning the food. Use R-enamelled cans for red fruits and vegetables and C-enamelled cans for foods containing sulfur, such as corn, lima beans and carrots.

Wax wears off waxed containers, so don't use them a second time unless you have them re-waxed.

NEW LENOX

Delores Anderson
Phone 3651

Delores Anderson will be on vacation the last week in August. Any news to be turned in during the last week, that cannot possibly be called in before Friday, Aug. 24, is to be called, or given to Mrs. Donald H. (Jane) Anderson, 214 Haven avenue. Her phone number is 3571.

The New Lenox Sportsmen's club will meet this evening, Aug. 16 in the Lions den.

Mr. and Mrs. Fred Mensinger recently spent an enjoyable vacation at Otsego lake, Gaylor, Mich., where they were guests of their daughter, Mr. and Mrs. Dev Noiro.

Mr. and Mrs. Allen McCowan and small son Richard arrived home Friday, from Honolulu, Hawaii, where they resided at the U.S. army base. Mr. McCowan received his discharge from the army this week. They will make their home in Elwood. Mrs. McCowan is the former Bette Jo Oster, daughter of Mr. and Mrs. John Oster.

Mr. and Mrs. Joseph Hartung and children Pamela and Tommy have returned from a week's vacation spent at the Sand Dunes state park in Indiana, South Haven, and Holland,

Mich. They enjoyed the boat trip from Muskegon, Mich. to Milwaukee, Wisconsin, after which they returned to Chicago to see Cinerama Holiday. Thursday they spent at Bass Lake, Ind.

Members of Boy Scout troop 49, and their fathers, have been busy this past week putting a new roof on the Boy Scout cabin in the local camp grounds.

Mrs. James Campbell and Miss Margaret Campbell left Saturday with Mr. and Mrs. William Rushton and family of Minooka for Big Sand lake at Spooner, Wis., where they will spend a two week's vacation. Mr. Campbell will join them there next week.

The Woman's Guild of the Grace Episcopal church met last Thursday evening at the home of Mrs. Frank Pester, with Mrs. Charles Parsons assisting. Routine reports were made and plans were formulated for the ice cream social to be held in the parish hall Sunday Aug. 26. The next meeting will be held in the home of Mrs. Kenneth Tauber on Haven ave., with Mrs. Wendell Cooper assisting.

The Rev. and Mrs. Robert McDougall and daughter Rachel, of Muskegon, Mich., were guests over the week-end of her parents, Mr. and Mrs. O. V. Rowe and Prudy.

Mrs. Emil Rechkemer, Wisconsin road, accompanied her daughter and son-in-law Mr. and Mrs. Allen Bloomquist of Orland Park, when they left Monday morning for Rochester, Minn., where Mrs. Blomquist entered the Mayo clinic for medical observation.

Mrs. Will Hafka is enjoying a two week's vacation at Warrington, Fla., with her nephew, Ensign and Mrs. Elgene Rice and family.

The following 15 Girl Scouts from New Lenox are attending camp this week at Camp Trailways, on the Scout reservation near Morris: Ann Higgenbotham, Eleanor Pester Karen Koristr, Mary Cummings, Merry Lee Collatz, Jeanell Roberson, and Claudia Peterson. Girls from troop 97 are, Mary Ellen Olson, Barbara Beales, Barbara Croes, Gail Huss, Barbara Batkin, Mary Ann Sampson, Pamela Pius, and Barbara Gall.

The Misses Barbara Batkin and Paulette Anderson have attended the Red Cross swimming lessons at Nowell Park in Joliet the past several weeks. Barbara has met the requirements of a beginners swimmer and Paulette, as a swimmer.

Over 50 attended the family gathering Sunday honoring Sylvester Batson who was celebrating his 90th birthday anniversary Aug. 15. The gathering was held at the home of his son Edward at Plainfield. A pot luck dinner was served at noon, and the afternoon was spent in visiting. There were games for the children. Those attending were his daughter and sons, the William Hobbs, Jr. and family, Manhattan; The Elmer Batson family, Frankfort; the Clarence Batson family, and the Glenn Batson family, New Lenox; also his brother and sisters, Mr. and Mrs. Ceward Batson, New Lenox; Mrs. Sarah Morris, Los Angeles, Calif.; and Mrs. Jessie Pester and Mrs. Anna Parsons of New Lenox. Grandchildren and great Grandchildren were

present from Gurnee, Ill., Downers Grove, Frankfort, New Lenox, Manhattan, Peotone and Kankakee.

Sunday, Aug. 26 is the date set by the Womens Guild of the Grace Episcopal church for the annual ice cream social to be held in the parish hall. Serving will start at 5 p.m. and will feature home made pies and cakes.

There will be no August meeting of the Womens League of Trinity Lutheran church. Hostesses for the September meeting will be Mrs. Ray Steinbrenner, Mrs. Roy Steliwagon and Mrs. Otto Bormet.

New Lenox Home Bureau members will enjoy a picnic Friday in place of their regular meeting, at Camp Shaw-waw-nas-see near Kankakee. Those attending are asked to bring their own table service and a dish to pass.

Mrs. Della Hussey and Donna are enjoying a two week's vacation in El Paso, Texas with their friends, Mr. and Mrs. Elmer Hatfield and family.

Mr. and Mrs. Robert Stockley, Sr., and family and Mr. and Mrs. Robert Stockley, Jr., and family, and Mr. and Mrs. Thomas Huttenhoff and family, have returned from a two week's vacation at Lake Lac Du Flambeau, Wis.

Mr. and Mrs. Gene Carnahan, Pine st., are the parents of a son born Aug. 8 in Silver Cross hospital in Joliet.

Mr. and Mrs. Sylvester Baers have moved into the Archie West home at 125 Haven ave., recently vacated by Mr. and Mrs. David Bruns.

Pvt. Richard Egly, husband of Mrs. Carol Collatz Egly, who is stationed at Fort Ord, Calif., has been confined in the U.S. army hospital with pneumonia for the past three weeks.

Mr. and Mrs. Vernon Yearout and children Dempsey, Verona and Anita of Wayne, Mich., visited here last week with Mr. and Mrs. William Collatz and family.

Tommy Barrowman, small son of Mr. and Mrs. Thomas Barrowman, 204 Cedar road, was the honored guest at a dinner honoring his 5th birthday, Tuesday at the home of his grandparents, Mr. and Mrs. Alfred Engel in Joliet.

Miss Dotte Jean Anderson entertained friends at a supper on the lawn of her home last Friday night. Guests were, the Misses, Margaret Campbell, Evelyn Rowswell, and Arlene Otis. The girls enjoyed badminton, and target shooting after supper.

LINCOLNWOOD

Delores Anderson,
phone 3651 New Lenox

George Pokorny left Monday with his grandparents, Mr. and Mrs. William T. Pokorny, for their summer home at Hayward, Wis., where he will spend the remainder of the summer vacation.

Mr. and Mrs. Earl Peterson and children spent Friday at Miller beach at the Dunes in Ind.

Mr. and Mrs. William T. Pokorny, of Chicago were dinner guests of their daughter Mrs. Virginia Loonhardt and family.

Mr. and Mrs. Al Kramer had as their guests Thursday and Friday, her cousin, Mrs. Mary Emig, and Mrs. Naomi Sprengle of Hellam, Pa., who were enroute to Fairfield, Iowa to attend the wedding of friends.

The Cub Scouts of Pack 41 enjoyed a camp-out over the week-end in the north section of Van Horn woods. Vern Newsome, Cub master and Clare Newman, accompanied them. Mr. and Mrs. Ed Meyers, Mr. and Mrs. Clarence Madsen, Mr. and Mrs. Leonard Konkel, Mr. and Mrs. Clare Newman, and Dr. and Mrs. Ralph Wright, and Mr. and Mrs. George Pokorny and their families enjoyed a picnic supper at 6:30 at the camp-site with the boys. After the supper, a marshmallow hunt, a name tag game, and a camp fire with a song fest and stories were enjoyed. Cubs who camped out over the week-end were, Eddie Meyer, Randy Konkel, Kenny Madsen, Mike Newman and Steve Wright.

Robert Taylor, band director at the Lincoln-Way high school accompanied the band on their bus trip Monday morning to the Springfield state fair where they took part in the contest at the fair grounds.

Cub Scout Den 1 of pack 41

met Tuesday afternoon at the home of their Den mother, Mrs. Clare Newman, with Mrs. Leonard Konkel, assisting. Outdoor activities were the afternoon's diversion in keeping with the theme of the month "Field Day".

Mr. and Mrs. Earl Dieken motored to Danforth, last Thursday to attend funeral services of his grandmother, Mrs. Emma Siemons, 98 years old, who passed away at her home in Champaign, Tuesday. Services were held in Danforth Friday. Jeff Dieken, who had been visiting in Chatsworth, with his grandmother, Mrs. William Knittles, and his aunt, Mrs. John Boyce, returned home with his parents. Mrs. Knittles and Mrs. Boyce had visited here last week with the Diekens, and Jeff went home with them.

Kris, baby daughter of Mr. and Mrs. Earl Dieken who has been a medical patient, under observation, in the Illinois Research hospital at Chicago, for the past few weeks returned home Sunday.

Leukosis in chickens, a disease of the blood that may produce paralysis, is caused by a virus that can be transmitted through eggs.

You can cut costs of farm building improvements by using lumber from your own woodland if you have trees that measure 16 inches or more in diameter.

Entomologists estimate that there are more than 10,000 species of destructive insects in the United States.

Sportabout

by
JACK MAYPOLE

The outboard cruiser produced without compromise with price in any detail has at last appeared on the boating scene.

The new cruiser is manufactured by Swift in Florida, a part of the country where we spend considerable time each year. Florida is the logical place to offer such a craft first as boating is a year-around proposition there. But it is our opinion that midwestern boating fans will go for it in a big way when they get the chance.

Until the appearance of this craft the emphasis has been to compromise with price the theory, apparently being that the power limitations of outboards limited cruising range and speed in such manner that an expensive, fine boat was not necessary. However the continued advances in the outboard motor field have been so startling that the field has opened for the high class boat.

The cruiser, called the Explorer, is 20 feet long with an 8 ft. beam and 4 feet of freeboard. Cruising tanks, linkage and all batteries and lines are enclosed. Two beds, each bigger than an ordinary double bed, can be made up. The boat has a maximum speed of about 30 miles an hour with a gross cruise load of 1,800 pounds when powered with two 30-horse John son motors.

Ordinarily we don't go into such detail over a product but this cruiser is an important development that thousands of Illinoisans will be interested in some day. Pictures of the Explorer really catch the eye. The boat has a convertible top with either windows or screens that can keep out bad weather or insects and other outstanding features including a complete marine toilet that is optional. Due to the fine craftsmanship

involved in production this cruiser is going to have to be available in limited numbers for some time but we look forward to having one before long.

We also anticipate seeing many brother outboarders who long have wanted a real cruising craft but who could not afford the big boats, take a look at the Explorer.

A letter from a friend says, "It is a honey! We have made several three-day cruises."

From the looks of the pictures and the descriptions in the literature, he is not enthusiastic enough.

(Hear Jack Maypole over WJJD M-F at 8:40 a.m.)

Forest Preserve Board Ignores U. of I. Plans

Proposed plans by the University of Illinois to build a Chicago campus on west suburban forest preserve land met another stumbling block in action by the county board of Cook county. The board, sitting as members of the finance committee of the forest preserve board, recommended awarding of contracts

for earth work and drainage to improve the Miller Meadows preserve.

The 300-acre tract is bounded on the west by First avenue in Maywood, on the north by Roosevelt rd., on the east by the Desplaines river and on the south by 22nd street.

The committee action apparently precludes University of Illinois trustees from acquiring the tract as a Chicago division of the University now located at Navy Pier.

The trustees have never officially asked the forest preserve board for the site but have issued publicity releases saying they desire the property for that purpose.

The land has been owned by the forest preserve board since the 1920's.

Low bidder for the work to develop roadways and a playground at a cost of \$42,652, was the Charles Hendricks company whose contract is expected to be awarded at a meeting of the forest preserve board tomorrow.

Haile Salassie claimed descent from Solomon and the Queen of Sheba.

Three states in the Union have four-letter names—Ohio, Iowa and Utah.

NEW MAGIC FOR TV

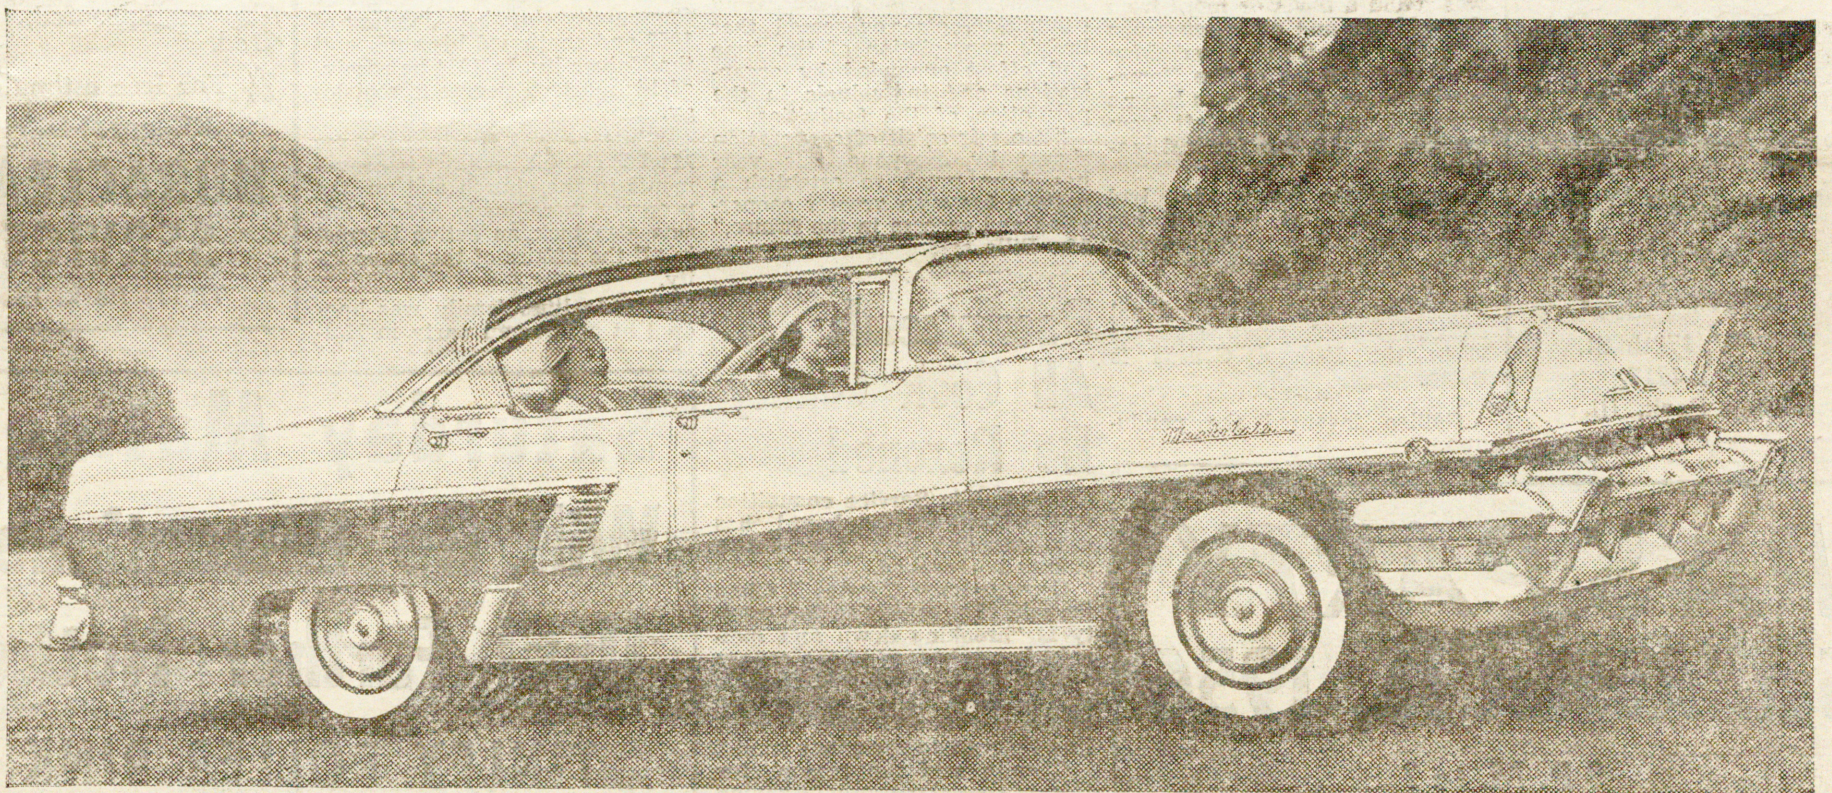

PRESS A BUTTON AND PRESTO — with Space Command tuning this new, little Space-Commander activates and controls TV from anywhere in the room, or even an adjoining room.

All with no wires or cord connections to the set; without batteries, transistors, light beams, radio waves or electricity.

You do not see, hear, or feel the command. But the TV receiver across the room responds instantly, turning on and off, changing stations, silencing annoying commercials, restoring sound. Zenith's Space-Commander weighs 8 ounces — so simple a child can operate it.

The Big M outvalues all cars two ways, leads its price class six ways

Co-op

THE BIG M LEADS THE MEDIUM-PRICE FIELD FOR:

1. Power per pound. THE BIG M Monterey and Montclair give you the best combinations of weight and power in their price field.*

2. Torque per pound. All four Mercury series—Monterey, Medalist, Custom and Montclair—are out in front of the entire medium-price field for usable wheel-turning power.

3. Choice of V-8 models. Only THE BIG M in its field offers so many V-8 models—18, in 4 price ranges. All with distinctive styling shared by no other car.

4. Choice of hardtop models. Eight BIG M hardtops! Mercury Phaetons offer you the most advanced design in 4-door hardtops—with the greatest visibility, for both front and rear seat passengers.

5. Braking power. THE BIG M's brakes give you the quickest stopping power in its field! Authority: independent MOTOR TREND tests. At 60 mph, THE BIG M stopped quicker than any competitor.

6. Extra-value features. For example, only Mercury in its field has an impact-absorbing steering wheel and a 4-barrel carburetor at no extra cost on every model.

THE BIG M LEADS THE INDUSTRY FOR:

1. Most power per dollar. THE BIG M Medalist and Custom offer you more power for your money than any other make of car.

2. Most torque per dollar. No other make of car built today comes up to the low-cost Mercury Medalist for usable wheel-turning power. And now's the time to save the *most money* on a Mercury. We invite you to stop in at our showroom.

*All power and torque comparisons, shown above and at the left, are based on an analysis of manufacturers' suggested list or factory retail prices for 4-door sedan models, using comparable models equipped with standard horsepower and automatic transmissions.

STORM INJURIES—

(Continued from page 1)

by a small tent that came hurtling thru the air just as he came around a corner on Front street seeking shelter. Only a moment before he had snatched a child out of the way of a large falling branch. August Werner suffered arm bruises when struck by a falling pole.

The most harrowing experience was that of A. S. Duncan, 52, a Mokena building contractor, who was in the exhibit tent when the storm struck. One of the end poles, said to weigh about 400 pounds, started to fall. Duncan grabbed a child who was standing in the path of the pole and pushed it to safety.

Then he and two other men grabbed the pole and attempted to hold it upright but its weight plus that of the wet canvas and

the force of the wind was too much. The other two are said to have leaped into the clear. Duncan, still struggling with the pole, was pinned beneath it as it crashed.

His left leg was broken twice between the knee and a point about two inches above the ankle. He felt the bones go and for a few moments he was dazed as he was engulfed by the agonizing pain. He came out of it to find himself buried under folds of wet canvas that pressed down on his face and body.

A foot of water was tumbling along Front street and pouring into the area where the exhibit tent was pitched. Duncan could feel the water rising. The thought shot thru his mind that if he didn't suffocate from the smothering canvas he would drown in the rising water. He shouted and clawed at the tent. The pole was still holding his legs. Above him people were rushing about. Someone trod on his body. Another person running over the spot stepped on his broken leg. Now a fear that he might be trampled to death spurred his efforts.

In some manner he managed to free his legs and succeeded in dragging himself some 10 or 12 feet to freedom. In the open he called again, and this time some one heard him. Mokena firemen made him as comfortable as possible and a doctor attended him until the Panesh ambulance arrived from Joliet and carried him to Silver Cross hospital.

A bone specialist was called in and yesterday Mr. Duncan underwent surgery to repair the fractures.

Some roofs were damaged by falling tree limbs and the wind also wrecked an eight-inch brick wall on a new addition to the Hunter Foundry on Wolf road. There was also loss of an undetermined amount of money when the wind wrecked tills in some of the booths. A ten dollar bill was found a block or more from the midway and other currency is believed scattered about. Monday evening some of the Homecoming committee members were raking the pools left from the rain in a search for lost money.

Some of the money that had been thought lost, however, has been brought to Homecoming treasurer, H. J. Wrath.

Distribution of Congressional districts is made every ten years when the Federal Census is taken.

Galileo invented the pendulum.

STUDENTS COUNCIL—

(Continued from page 1)

the students could take only one thing back that their council would use, the workshop will have been successful.

The days were not all spent in discussion, however. There were dinners, dances, swimming, bowling, golf and tennis.

In returning the Lincoln-Way group stopped at Bradley University at Peoria. On the way to Macomb the delegation stopped at Dickson Mounds state park.

BOY SCOUTS—

(Continued from front page)

and some money was blown away. It will take several days, it was said, before things can be straightened out.

It was believed that the losses would have been greater had it not been for the members of the Mokena fire department. They not only helped calm persons panic stricken by the suddenness and ferocity of the storm but also freed some that were caught by flying canvas and then provided guards that remained in the area thruout the night and Monday forenoon to prevent pilfering. Thanks were expressed to Phil Hacker who supplied lights to aid in the salvaging operations and to Donna's Coffee Shop which remained open all night and supplied the workers with coffee.

"The village board joins with me," said Mayor John Scarth, "in expressing our gratitude for the excellent work performed and community spirit displayed by the firemen. And the joint operating committee of the Homecoming also joins with us in such an expression."

Lack of a stretcher, splints and other first aid and rescue equipment, which the fire department is hopeful of buying when funds become available, was pointed out graphically to the public Sunday night.

George H. Bills, president of the Mokena Civic Association and general chairman of the Homecoming joint operating committee, also expressed that body's appreciation of the time and effort expended by organizations and individuals in the promotion of the festivities.

"The fair spirit of cooperation shown by everyone this year has done much to establish a pattern for even greater cooperation and success in the future," Mr. Bills said.

Recommend

All Cook County Be Rezoned

The Public Service committee of the Cook county board has recommended that the entire county be rezoned.

Commissioner Charles F. Chaplin said that zoning in the county is "breaking down and individuals are bypassing the county zoning board of appeals and the county board in going directly to the courts who are permitting them to do what they want."

Chaplin said the reason for this is that the present zoning laws are not tight enough and therefore the court rules the present zoning is not valid and individuals mostly representatives of heavy industry go ahead and do what they want on the land.

Commissioner John Duffy suggested the county board follow the city of Chicago's example on zoning in hiring an outside agency to rezone the county.

Board President Daniel Ryan said at the next meeting he will recommend a committee be appointed to study the problem and recommend to the legislature that zoning laws be tightened.

Marley Pastor Moves to Canada

by Virginia Sass

The Rev. and Mrs. Herschel Aseltine and their two small sons Teddy and Dick, left the Marley Community on Wednesday of this week. The Rev. Mr. Aseltine, pastor of Marley Community church, has accepted the position of associate secretary of the Christian Labor Association of Canada. He will be located at 143 Cline ave. S., Hamilton, Ont., Canada and will begin his duties there on Sept. 1.

The Rev. Mr. Aseltine has long

been a follower of this labor movement. He has not only been interested in the CLAC, but he has fully supported it and now is prepared to serve it with his knowledge and abilities. He addressed the National CLAC convention in 1954 on the topic, "Churchmen and Workmen." He also spoke at a meeting in Toronto last spring.

The Christian Labor Association of Canada is a national labor organization constituted of trade, industrial or occupational locals, and of general workers locals, the latter being known as Christian Workers Locals, seeking to apply the Christian faith to social economic life. The Rev. Mr. Aseltine's duties will be to propagate the Christian labor association cause wherever possible, to hold meetings and establish locals, assist locals in their extension programs and in the procurement of bargaining rights and the negotiations of contracts and such other duties as the national executive committees shall place upon him. He will also edit "The Guide", the monthly publication of the association.

The Rev. Mr. Aseltine was born in Richford, Vt., graduated from high school and worked on the farm of his father. In 1939 he entered the R.C.A.F., served in many parts of the world as pilot and left the air force after the war as wing commander. Availing himself of the opportunities offered the veterans, he studied the ministry, did missionary work and in 1952 went to Chicago to study at the University of Chicago.

Having worked in industry for some time he realized that there is a gap between organized labor and religion. Being of the opinion that Christian faith has a bearing upon daily work and seeing that such was fully neglected in organized labor, he decided that a study was worthwhile. He accepted a call to the Marley Community church in January of 1953 and continued his studies at the University. In 1954 he received his master's degree in sociology.

While he was pastor of the Marley church, many improvements in the church and on the property were made. Mr. Aseltine also took an active interest in all the affairs of the community.

The Aseltine family was honored at a farewell party in Hal-

ey park last Friday evening by members of the Marley Community church.

A potluck dinner was served at 7 o'clock with the deaconesses of the church as hostesses. Following the dinner the honored guests were presented with a purse from the congregation and a gift from the Freeman Fellowship. Short talks were given by Deacons Charles Sass and James Tilsy and the Rev. Mr. Aseltine.

DURACLEANING

is recommended nationally by Amercia's leading furniture and dept. stores

CARPETING, TWISTS, ORIENTALS and FINE UPHOLSTERY

may now be safely cleaned and revived with consideration for their life and textures * Duracleaning restores resilience to wool fibres * Pile unsmats and rises * Colors revive * Furnishings are Duracleaned in your home * No inconvenience in having them gone * Also mothproofed, if desired.

When Not Barbering Verne Puffer Spends Leisure Time In Travel

Verne Puffer and Selby Hirsch

by Anne Rogder

Verne's Barber shop at 17034 Oak Park ave. is air conditioned for the comfort of patrons and has a television for their amusement while waiting.

LaVerne Puffer, owner, took over the shop a year and a half ago. Previously from Dolton, he has been a barber for the past ten years.

The store owner and one other barber are steadily engaged in keeping their clients neatly groomed.

Children's haircuts are a specialty at Verne's Toddlers may cry when they receive their first haircut, but soon become accustomed to the whirring of the electric clippers and sit quietly through the whole process, knowing when it is over, their reward will be a candy sucker.

Verne was born in Streator. Part of his boyhood was spent on a farm in Odell, Ill., where he attended school. He later lived in Wilmington, the home town of his wife Elsie.

During the last World War, Puffer was a private in the 3rd Div. of the 15th Infantry battalion, serving in Europe.

The Puffer's have one son, Richard, 13, who will enter Bremen Community high school this fall. Richard plays the drums and was a member of the Tinley Park grade school band. The family are active mem-

bers of the local Methodist church, where Mrs. Puffer is

president of one of the women's circles.

The local barber, who likes to travel when not playing his trade, is a member of Tinley Park Veterans of Foreign Wars and Chamber of Commerce. He is also a member of Harvey Moose lodge.

19th Gladiola Festival Opens At Momence

The 19th annual Momence Gladiolus Festival, Aug. 16-18 is expected to attract more than 100,000 people from 48 states and some foreign countries.

The festival committee reports that more than three million gladioli will be on display. Many of the multi-colored flowers will also adorn the yards and store windows of Momence citizens and merchants.

Highlight of this year's program will be the famous gladioli show. It will contain exhibits of the Illinois State Gladiolus Society, the Momence Woman's Club and other gladiolus growers.

Other events will include three parades with giant floats decked with the colorful flowers, drum and bugle corps competition, professional entertainment and coronation of a glad-

lioli queen.

The Chicago Motor club reports that the most direct route to Momence is Rte. 1. The gladiolus community is 52 miles southeast of Chicago.

The Motor club says that motorists attending the colorful event will find a n added attraction along Ill. 1, south of Momence. Thruout August, varied colored gladioli can be seen in almost every yard along a 25 mile stretch.

Some of today's pin-up girls ought to be buttoned up instead Ima Washout.

It takes nearly 10 quarts of milk on an average to make a pound of butter.

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis . . . the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford *scat* pays off in your kind of driving: in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and listen—drive and feel.

That fine-car quiet results from sound

insulation under the hood, under the roof, in door and body panels—the most insulation in any car at anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball-joint suspension with wide base control arms for better steering, more stabilized wheel alignment . . . shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is new."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has

two. We'll show you the deep-block Y-like engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really is a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does, is Ford's huge production and the huge volume which we Ford Dealers sell.

But enough of this talk. Come in. And you do the driving and the talking. Bring the family, too.

FORD
goes first

NOW! A FORD with AIR CONDITIONING costs less than many medium-priced cars without it. TRY ONE TODAY!

WILL MAKE AWARDS

The Amvets post and their auxiliary have announced they will hold their awarding this Sunday Aug. 19 in the Mokena Community park at 5 p. m. This affair was interrupted last Sunday, for when it was planned, because of the severe storm.

A baseball has a cork center about the size of a marble.

New York and San Francisco fairs commemorated the 150th anniversary of George Washington's inauguration.

St. George Altar and Rosary Group Plan Sale, Supper

The Altar and Rosary society of St. George church, Tinley Park, are holding a rummage sale at the school hall Wednesday evening, Aug. 22 from 6 pm. to 9 o'clock and on Aug. 23 from 9 am. to 6 pm. Clothing and furniture will be sold.

In conjunction with the sale, a spaghetti luncheon has been planned for Thursday afternoon August 23 from 12 noon to 2 o'clock. Reservations for luncheon must be made no later than Tuesday, August 21. One may call KE 2-4770 for reservations and further information.

Story Hour, Photo Classes at Park To End Next Week

Mrs. Fred G. Lehmann will conclude the series of children's stories next week that she has been relating to youngsters as a part of the summer playground program at Mokena Community park. The final date will be next Wednesday morning, between 10 o'clock and noon.

Mrs. Mary Zemeske, who has been teaching photography, will conduct her final classes between 1 and 3 o'clock next Thursday afternoon, Aug. 23.

Methodists Plan Workshop Tuesday At Green Garden

The Green Garden Methodist church will be the host church for a workshop meeting to be held Tuesday night, Aug. 21 at 8 o'clock.

The Rev. Dr. M. J. Powers, district superintendent will be in charge.

The session will be conducted on a question and answer basis, dealing principally with the program of the Rock River Conference for the coming year as it applies to the various Methodist churches that comprise it.

Stanley Lesniewicz Announce Wedding Date of Daughter

Mr. and Mrs. Stanley Lesniewicz of Lincoln Estates announce the engagement and approaching marriage of their daughter Elizabeth to Mr. Arthur L. Goss, son of Mr. and Mrs. Joy Goss of Mokena. The wedding will take place Saturday Aug. 25, in St. Mary's Catholic church Mokena. The reception will be held in the VFW hall in Mokena at 6 p. m.

The bride to be, is a student at St. Xavier college school of nursing Chicago. Mr. Goss is attending the University of Illinois where he is studying electric engineering.

Harold Homerding, of Mokena, to Wed Wilmington Girl

Mr. and Mrs. Clarence Hertline of Wilmington announce the approaching marriage of their daughter Carol to Harold L. Homerding, son of Mr. and Mrs. Peter Homerding of Mokena.

The wedding will take place Saturday evening, Aug. 18 in the Wilmington Methodist church at 7 o'clock. All relatives and friends of the couple are invited to attend the wedding and reception which will be held in the Young American's club room, Scott and Irving sts., Joliet, from 8 to 12 pm.

Mystery Picture Is Identified—Charles Swanberg

The Guess Who picture published last week of a Mokena business man, taken when a child, was correctly identified by Mrs. Anton Benson. It was Charles Swanberg, proprietor of the Swanberg Farm and Auto Service.

There were other guesses, naming Harold Cooper, Mayor Scarth, Albert Braun, John Balaz and Dick McGovney.

"Sometimes it seems that when a bride says, 'I do' she's looking around to see if she could do better!"—Herb Shriner.

Coming Events

Sat. Aug. 18—Card party instead of Aug. 25, VFW hall, Mokena by Auxiliary.

Wed. Aug. 22—Rummage sale by Zion Ladies Aid, Tinley Pk. Parish hall, Zion Luth. church Tinley Park, beginning at 10 am. by Ladies' Aid.

Sun. Aug. 26—Ice cream social, parish hall, Grace Episcopal church, New Lenox, by Woman's guild, starting 5 p. m., with home made pies & cakes.

Excluding the Presidents who were assassinated, three U. S. Presidents have died in office.
